

Senate Takes Test Vote On Civil Rights

WASHINGTON (AP) — After 49 days of talk in the civil rights debate, the Senate finally reaches the voting stage today on one of the dozens of amendments pending to the bitterly disputed bill.

Only an informal agreement has been reached for this initial test. But supporters and foes of the measure said that at least one vote would be taken, probably late in the afternoon.

The vote, on a jury trial amendment of Sen. Thurston B. Morton, R-Ky., will not be especially meaningful except possibly as an ice-breaker in the marathon debate.

Democratic Leader Mik Mansfield said he was hopeful his colleagues would go ahead promptly and take all of the votes needed to dispose of the jury trial issue, finishing with it tonight or Thursday.

But he pointed out there is no assurance that this can be done.

Ordinarily when the Senate begins voting on amendments to a major bill, the leaders have obtained an iron-clad agreement fixing an hour for the roll call or limiting debate on each amendment to an hour or two. But nothing of the kind has been possible on the House-passed civil rights bill. Thus a vote can come only when the 19 Southerners fighting it fall silent and permit the test.

Both Democratic and Republican leaders voiced concern Tuesday that invitations from President Johnson for an out-of-town trip might delay the final jury trial votes until next week.

The President, leaving early Thursday for another tour of Appalachia, invited senators from the states he will visit to accompany him.

It was learned that a Democratic leader protested sharply to the White House declaring this would mean an upset to the delicate negotiations which finally had produced a willingness for some votes.

However, some of the senators said they would decline the invitations and remain behind for the votes.

Israel Tests Jordan Diversion

JERUSALEM (AP) — Israel has started testing its Jordan River diversion project to channel irrigation water into the Negev Desert.

Officials said if several weeks of tests are satisfactory, the project will go into operation this summer.

Leaders of the 13 Arab states have warned they will oppose the project under "the legitimate right of self-defense." They are making plans to divert headwaters of the rivers.

Weather

By The Associated Press

Upper Peninsula — Scattered showers and thunderstorms locally heavy with strong gusty winds at times this afternoon and tonight. Scattered showers and thunderstorms and cooler Thursday. Low tonight in the 50s west and 57 to 64 east, high Thursday mostly in the 60s.

Lower Michigan — Partly cloudy, very windy and quite warm this afternoon with scattered thunderstorms likely west tonight. Southerly winds 20 to 30 miles, quite gusty west. Scattered thunderstorms north and west locally heavy at times tonight. Thursday mostly cloudy with scattered thunderstorms likely most numerous north and west. A little cooler northwest Thursday. Low tonight in the 60s, high Thursday 75 to 80 northwest and in the 80s southeast.

Highest temperature Tuesday 83, lowest 56.

Highest temperature one year ago today 64, lowest 40.

Highest temperature this date since 1872, 90 in 1949, lowest 33 in 1875.

The sun sets today at 8:02 p. m., and rises Thursday at 5:27 a. m.

Russians Keep Up With U.S. On Atomic U-Boats

WASHINGTON (AP) — The Soviet Union may be building atomic-powered submarine at a rate of seven to 10 a year, U.S. sources estimate.

This would appear to about match the American production schedule.

Available records show that in the last full year, the United States constructed nine nuclear-engined submarines, either Polaris or attack ships.

This was below the planned average of one commissioning per month. That plan was upset by new and tighter construction safety requirements, established after the loss of the Thresher a year ago.

The U.S. program carries construction through only about another two or three years, when building of 41 Polaris and 4 attack submarines will have been completed and the last of them put into fitting-out yards for final work.

The Soviet Union has given no indication of a termination date for her atomic submarine program.

As the Soviets have progressed

into the atomic submarine field, they appear to have eased off on some of the supersecrecy which surrounded their effort at the outset of the attempt to catch up or surpass the United States.

From time to time Soviet nuclear-powered submarines are seen surfaced, whereas before they probably operated close to home or in arctic waters immediately north of the Soviet homeland. Those reported as sighted, up to now, have been in the eastern Atlantic region. The estimated production rate for the Soviets is not broken down between missile-firing and attack submarines.

The British publication, "Jane's Fighting Ships," says in its latest edition that the Soviet Union had by the latter half of last year 26 atomic-powered submarines in operation. At that time, the United States had about 30 in commission.

The U.S. Navy now has 18 attack-type ships and 19 Polaris ships in commission, with 13 of the latter deployed on station in the eastern Atlantic.

Johnson's Heart Still Doing Fine

WASHINGTON (AP) — Despite the whirlwind pace he's been keeping, President Johnson's heart—the heart that suffered an attack in 1955—is apparently still doing fine.

That was the indication from the White House today in answer to a query concerning the state of the President's health.

The query was motivated by the fact the President, ever since he took office, has maintained a fast and vigorous working schedule — ranging from sudden plane trips to fast-paced on-the-hoof news conferences held on the quarter-mile driveway behind the White House.

Rest Mixed In

At least one published report has said some of Johnson's associates have been worried about his energetic pace — in view of his history of having had one heart attack.

However, there are indications the President knows how to mix rest and relaxation with his fast-stepping work day.

The White House said Johnson's latest electrocardiograph examination—a test of his heart function—showed a normal finding. The same is true of his pulse, blood pressure and breathing rate.

Furthermore, there is "no enlargement of the heart," the White House said. It was the first technical word on Johnson's health since Dec. 4, shortly after he took office.

None of Johnson's own doctors—and he has them in various parts of the country as well as the White House—were available for interviews on the subject.

Damage Well Healed

But one doctor outside the White House—who has nothing

to do with President Johnson's case—told a reporter the information given out by the White House, together with the obvious fact that Johnson has been leading a fast work pace, add up to this, in his opinion:

"The fact that he has been able to maintain the pace gives reassurance that his coronary attack of 1955 was well-healed."

The doctor said the medical details given out by the White House could be interpreted this way:

1. "Normal" EKG: Means that the electrical-conducting system that makes the heart work was not damaged permanently.

Auto Makers Agree To Meet With NAACP

DETROIT (AP) — Chrysler Corp. and Ford Motor Co. Tuesday expressed willingness to meet with the National Association for the Advancement of Colored People (NAACP) to discuss complaints of racial discrimination in personnel policies.

Herbert Hill, NAACP national labor secretary, sent telegrams Tuesday requesting the meetings to board chairman George Love of Chrysler; Henry Ford II of Ford and Frederic G. Donner of General Motors.

General Motors acknowledged receipt of the telegram, but declined further comment.

Chrysler President Lynn Townsend sent a telegram to Hill in New York saying he has "asked Mr. William M. O'Brien our vice president and director of personnel, to meet with you." Townsend said the meeting could be held at any mutually convenient time.

A Ford spokesman said Allen W. Merrell, vice president for civic and governmental affairs, would arrange a meeting with Hill, probably in New York. The spokesman added that the company had not formally replied to Hill's request.

NAACP pickets demonstrated against alleged discrimination outside GM national headquarters here Monday. The auto firm has repeatedly denied any discrimination in its hiring policies.

Hill termed the demonstration as "the beginning of the end of second class citizenship for Negroes at General Motors as well as the entire auto industry."

He said any move to picket Ford and Chrysler "depends on what comes out of these meetings."

Slip By Wife Jails Escaper

HERMOSA BEACH, Calif. (AP)—After six years of freedom, a fugitive from Southern Michigan Prison is in jail today because of a slip of the tongue by his wife.

Donald E. Henson, 33, was arrested in this Los Angeles suburb Monday night. Police said they had questioned him earlier at a hospital where he had gone to get treatment for two stab wounds.

Hanson told police his wife, Jeanne, 39, stabbed him during a family fracas in a waterfront bar.

"Please don't arrest my husband," interjected Mrs. Henson. "They'll put him back in prison and he'll kill me."

Police checked with Michigan prison authorities who told them Henson escaped in September, 1958. He had been serving 2½ to 15 years for armed robbery. Authorities said Henson would be returned to Michigan unless he was charged in California.

Lawmakers Study Debt To Indians

LANSING (AP) — Michigan lawmakers will look this year into the state's Indian heritage and its debt to modern Indians.

House Speaker Allison Green, R-Kingsford, announced a special House interim study committee Tuesday "to study procedures for preserving and enhancing ancient Indian traditions and resources in Michigan."

Named to the committee were Reps. Walter Nakkula, R-Gladwin; Russell Strange, R-Clare; Rollo Conlin, R-Tipton; Carol Newton, R-Detroit; Russell Helman, D-Dollar Bay; and Dominic Jacobetti, D-Negaunee.

SENATE LEADERS talk with Atty. Gen. Robert Kennedy in an effort to hammer out an agreement on amendments to the House-approved civil rights bill. From left: Sen. Everett Dirksen, R-Ill.; Sen. George Aiken, R-Vt.; Kennedy; Sen. Warren Magnuson, D-Wash.; and Sen. Hubert Humphrey, D-Minn. (AP Wirephoto)

World Tariff Cuts Given Green Light

Indiana Favors Welsh; Wallace Claims Victory

INDIANAPOLIS, Ind. (AP) — Gov. George C. Wallace, the Alabama invader who championed states' rights claimed a victory for his cause today, but Democratic Gov. Matthew E. Welsh held the field for President Johnson in Indiana's presidential primary.

Wallace, who made his campaign a crusade against Johnson's civil rights bill, piled up a big protest vote in Tuesday's balloting, but his showing fell short of the upset race he ran in Wisconsin against another favorite-son stand-in for Johnson.

In a Republican race all but eclipsed by the steaming Democratic contest, Arizona Sen. Barry Goldwater grabbed Indiana's 32 votes at the Republican National Convention.

With 4,240 of 4,416 precincts counted, Welsh had captured 355,632 votes to 165,437 for Wallace.

All of the 51 Democratic votes at the Democratic national convention will be controlled by Welsh.

That gave the Alabama governor 29.6 per cent of the Democratic turnout and 17.6 per cent of the total vote.

Three minor candidates split 27,309 votes.

Goldwater polled 227,703 votes in 3,701 precincts. Stassen had 91,119. That gave him 26.9 per cent of the Republican turnout. Goldwater had 67.1 per cent.

Frank Beckwith, a Negro attorney from Indianapolis, cap-

tured 14,698 GOP votes. Joseph G. Ettl of South Bend had 5,646.

Except for the upset total Wallace polled in Wisconsin April 7, in his first Northern foray against the civil rights measure his Indiana showing would have been a major surprise.

Running against Wisconsin Gov. John W. Reynolds, Wallace captured 33.7 per cent of the Democratic vote and 24.4 per cent of the total turnout.

Welsh blamed Republicans who switched ballots for the Wallace showing.

The Alabama governor insisted, "It shows that the great number of people in every state share our philosophy."

Wallace had invited Republican backing, saying a substantial showing would foster conservatism in both parties.

Democratic State Chairman J. Manfred Core said he thought about 10 per cent of the Wallace vote represented Republicans who took Democratic ballots.

Welsh, who is serving his last year as governor, stirred a storm of opposition when he battled his way through the courts to win enactment of Indiana's first sales tax.

State political leaders agreed that many of the votes for Wallace were protests against the governor.

The Alabama governor takes on another administration favorite son, Sen. Daniel Brewster, in the Maryland presidential primary May 19.

Romney's Budget Nears Final OK

LANSING (AP)—Gov. George W. Romney's proposed 1964-65 budget was only a few steps from final approval by the legislature today at a figure of \$629.1 million, an all-time high.

Only Senate adoption of conference committee reports on four appropriations bills remained for the budget to become official. The House cleared eight bills Tuesday.

Among the measures pending adoption was the \$32.8 million general government bill which includes a pay raise for lawmakers.

Conference committees restored more than \$2 million to the budget before sending the bills to the chambers for approval.

Boost Costs \$629,000

The pay boost will cost \$629,000 per year. It was added to the general government bill earlier in the House and amended slightly by the Senate.

It will increase lawmakers' pay from \$7,000 to \$10,000 a year and expenses from \$1,250 to \$2,500. This over-all 52 per cent hike will make Michigan's legislature the highest-paid in the nation.

Romney's budget will stand at approximately \$80 million more than the \$550 million spending plan the legislature approved last year.

Included in the money put

back into the budget was \$1.9 million for capital outlay projects and \$100,000 for the new state scholarship fund.

The scholarship fund was restored to the original proposal of \$500,000.

Building Funds Restored

The capital outlay bill was approved at \$57.3 million. This included restoration of \$300,000 to remodel the east medical building at the University of Michigan, \$190,000 for a power line at Michigan State and \$500,000 for an administration building at Ionia State Hospital.

Also restored was \$727,000 for three buildings at Plymouth State Home and Training School, \$100,000 for a recreation facility at the training unit in Ionia, and \$90,000 for a new state police post in Petoskey.

Money restored to the mental health bill included \$75,000 for mental health research at the University of Michigan. The bill was adopted by both houses at a total of \$90.5 million.

The legislative pay raise plan also included \$17,500 in salary and \$3,500 in expenses for the lieutenant governor, and \$15,000 salary and \$2,500 expenses for the speaker of the house.

The same bill included pay raises for several state officials, including the governor who will get \$30,000. It also provided \$75,000 for a permanent staff for the legislative budget-writing committees.

School Aid Disputed

The total budget figure for 1964-65 is \$696.2 million. But some \$67.1 million of this represents money being transferred to the regular school aid fund from the primary school interest fund which the new Constitution abolishes.

Other bills, as adopted or ready for final approval, stood at \$17.3 million for public health, \$99.3 million for welfare, \$19.1 for corrections, \$36.8 for public safety and defense, \$11.9 for conservation, recreation and agriculture, \$13.5 for debt service, and \$157 million estimated for school aid.

Still to be resolved was a dispute over a bill to revise the state school aid formula by increasing the per pupil aid from \$224 to \$234 and raising the deductible millage factor from 3% to 4¼ mills.

The dispute centers around a Senate proposal to add a \$3 per pupil across-the-board increase to the bill.

Robert Taft Jr.

Sen. Stephen M. Young

ROBERT TAFT JR., Ohio Congressman-at-large, won the Republican nomination for U.S. Senator in Tuesday's Ohio primary election, and will oppose the aging Sen. Stephen M. Young, who is the Democratic nominee.

Taft And Young Named In Ohio

COLUMBUS, Ohio (AP) — Rep. Robert Taft Jr., son of the late Ohio senator dubbed "Mr. Republican," and Democratic incumbent Stephen M. Young hurdled the civil rights issue to clinch senatorial nominations in Ohio's primary.

Ted W. Brown, secretary of state and a veteran vote getter, backed on his civil rights opposition in a sharp clash with Taft for the Republican nomination but failed to carry a single county in Tuesday's voting.

"The results indicate that the civil rights issue perhaps was not as important as Mr. Brown thought," Taft said in a victory statement.

Young's nomination was unintentionally challenged by ailing Marine Lt. Col. John H. Glenn Jr., who withdrew from the race too late to have his name removed from the ballot.

Glenn, the first American astronaut to orbit the earth, drew a solid "therapy vote," but it was less than half Young's total.

Returns from 9,370 of the state's 13,311 polling places gave Taft 446,742 votes and Brown 126,466. On the Democratic side, Young polled 330,831 and Glenn 148,170.

The peppery 75-year-old Young immediately girded for a showdown with Taft in the November general election. He accused the Republicans of making his U.S. Senate seat their No. 1 target nationally.

Court Has Little To Do In Hell

HELL, Mich. (AP)—Justice of the Peace Mel Reinhard said Tuesday there hasn't been a criminal action or traffic violation case in his court for the past 10 months.

Hell, which has a population of 45, is located in Reinhard's Putnam Township jurisdiction.

Smoking Ban Dies

LUDINGTON (AP)—A proposed smoking ban for teenagers here has died apparently because the ordinance provided penalties for adults who sold cigarettes to minors. The ordinance was to have had its final reading Monday night but a motion to table it was adopted by voice vote after complaints from retailers and vending machine operators were noted.

Nations To Aim For Reduction Of 50 Per Cent

GENEVA (AP) — The drive started by the late President John F. Kennedy to lower world trade barriers was given a ringing endorsement today by officials speaking for 75 nations at the Kennedy round of tariff talks.

Without dissent, they endorsed an agreement by the world's trading giants — the United States, Britain and the Common Market—to set a goal of a 50 per cent cut in tariffs across the board.

France objected to a U.S. attempt to make the sharp cut the official aim of the negotiations, and so the 50 per cent figure remains only a goal.

Talks were opened Monday by nations belonging to the General Agreement on Tariffs and Trade—GATT.

Farm Market Wanted

A statement summing up the preliminary talks said the final tariff reductions would be linked with the solution of other problems in negotiations that are expected to last as long as two years. In theory, the tariff cuts should result in more business for all and a brake on rising prices.

The United States is particularly interested in maintaining its market for farm products. At the closed meeting, Christian A. Herter, President Johnson's chief representative, expressed disappointment that more progress on agriculture had not been made.

Delegates reported that the morning meeting went smoothly with no major changes in the statement Tuesday night on setting the tariff-cutting goals.

Barriers Studied

Other problems to be dealt with include:

—Situations where the United States has a much higher tariff rate than the Common Market.

—Nontariff barriers to trade such as "Buy America" in the United States and special health requirements for imports into many European countries.

—Tariffs that cannot be handled by a percentage rule, but must be negotiated separately.

Help was promised to underdeveloped countries, including especially deep cuts in tariffs by some members.

The statement also welcomed the interest of Communist Poland, Czechoslovakia already is a member of GATT, and Poland and Yugoslavia take part in some of its work.

There are difficult problems in trading with the Communist countries, where most business is handled by the government.

American officials were pleased to pin down the 50 per cent figure, even as only a basis for work. President Charles de Gaulle's government, fearful of tougher foreign competition for France's growing industry had opposed setting this reduction, the maximum allowed by American law, as the official aim of the talks.

U. S. tariffs, though twice cut in half over the last 30 years, still are in many cases much higher than the tariffs of other countries.

A rule is to be worked out that will cut these higher American tariffs by the full 50 per cent and reduce the corresponding European tariffs by a lower margin, perhaps 25 per cent.

Soviets Interested

Each country involved also will submit lists of exceptions for items which must be dealt with separately. A deadline of Sept. 10 was set for these lists that is when the tough bargaining will start.

The New York Times reported today that the Soviet Union, which has repeatedly denounced the Common Market, has put out tentative feelers about establishing relations with the West European economic bloc.

A Times dispatch from Geneva said Western diplomats are speculating that the Russians soon will accredit a mission to the Brussels headquarters of the Common Market.

"The Russian interest appears to be an application of the maxim: If you can't lick them, join them," the Times said.

Today's Chuckle

Wife: A woman who represents it if her husband speaks while she's interrupting.

Rains Retard Trout Fishing

Heavy rains throughout the week have raised the level of all streams in the Escanaba area, adding up to very poor fishing conditions, the Conservation Department reports.

Many people enjoyed taking suckers with spears when the season opened on May 1. The sucker run should last another four or five days. Persons interested in spearing suckers should contact a conservation officer in their zone for information on the best streams and designated streams for night fishing. If the weather clears by the weekend, walleye catches should be reported on the Escanaba River below the railroad bridge. Perch fishing at the yacht harbor and municipal dock should also improve in the next few days.

In the Gladstone area trout fishing during the past week was poor due mainly to high water conditions. Perch fishing has been fair off Masonville with some nice catches made in minnows and worms. Some large fish are noted in the catch. Still fishing or slow drifting is the method taking the fish.

In the Ensign area trout fishing is still poor, with high water in all streams. Some roads and trails are in poor shape due to rain. Suckers are in all streams and are moving in during high water with best spearing expected later part of week unless high water stays. The better streams are Martin, Big River, and Mink Creek on the Nahma road. No perch at Nahma or Big River due to low water.

In the Nahma area trout fishing has been slow due to poor weather, but it is expected to improve as soon as the streams return to normal after the rains. Sturgeon River, Big Fishdam and 13 Mile Creek

should be good. Square and Zigmil Lakes will be the best bet on the trout lakes. Suckers are up in the streams and the spearing will remain good for about two weeks. Perch fishing at Garden is improving.

In stream fishing in the Trenary area has not been producing well. Best brook trout catches taken from the west branch of the Whitefish River and the Scott Creek near Trenary. Big Trout Lake north of Little Lake has been producing some very nice catches of rainbows. Some limit catches and some fish in the 15-20" class. Baits used include spinners, crawlers and some catches on spawn. Sporley Lake in the same area has been producing a few catches of rainbows with morning fishing being the best time. Also some rainbow success on the AuTrain Basin near the mouths of the Johnson and Slapneck creeks.

Nahma Voters Okay 5 Mills For Schools

NAHMA — Voters of the Nahma Township School District approved a levy of 5 mills for two years to finance school operations in a special election held on Tuesday.

The proposition carried by a vote of 70 yes to 59 no and assures that the School district's educational program will be maintained.

The district had had a special operating millage levy of 6 mills for the last five years, and this is expiring this year.

Briefly Told

The North Star Lodge will meet Thursday, May 7, at 7:30 p. m. at the Odd Fellows Hall.

The Perry Printing Co. of Waetrol, Wis., announces a half-million dollar expansion, the third such project in a decade, to enlarge its plant by 20,000 square feet and house a new five unit offset press. Lawrence Perry, chairman of the board of the firm, was a makeup man for the Escanaba Daily Press in 1912. His son, Roger, is president of Perry Printing.

Walker L. Cisler

Tech Honoring Cisler May 18

HOUGHTON — Walker L. Cisler, president and director of the Detroit Edison Co., will be the principal speaker here May 18 at the 12th annual Honors Convocation of Michigan Technological University. An honorary Doctor of Science degree will be conferred on Cisler.

Almost 300 students will be honored at the ceremony for outstanding academic efforts and achievements. Two faculty members will also be singled out for the 1963-64 distinguished teacher award and the Faculty Research Citation.

A new award will be inaugurated this year to recognize outstanding service to the University by any individual, whether connected with Michigan Tech or not. The Clair M. Donovan award for outstanding service is sponsored by the Michigan Tech Chapter of Blue Key National Honor Fraternity.

Cisler, a native of Marietta, Ohio, has spent his entire business career in the electric power industry, but has found time to actively participate in numerous civic and governmental activities not directly related to his business responsibilities.

Cisler has been decorated by 10 foreign governments and the United States in recognition of his contributions, and he holds honorary degrees from nine institutions. He is currently active as chairman, director, president or trustee in more than two dozen corporations, organizations or institutions.

Warmer, Drier Weather Outlook

The 30-day outlook for the Northern Michigan region calls for weather warmer and drier than normal according to the extended forecast branch of the U. S. Weather Bureau.

The precipitation outlook is for light to moderate and the temperature forecast is for above to much above normal for May.

The above normal temperature outlook is for a vast region of North America centering over Hudson Bay; while the light precipitation forecast covers approximately the same region, extending southward to the top of Lower Michigan.

Project Pride Group Praised

The work of Project Pride in building a Chamber of Commerce office building and a School for Retarded Children was hailed as "the ultimate in community service" at the meeting of the Rotary Club at the House of Ludington Tuesday noon.

Edward E. Edick of the Rotary Club's program committee presented Erling Arntzen of Project Pride. Arntzen described the Project Pride accomplishments and showed slides of various stages of construction of the two projects.

"Project Pride is a highlight in the history of Escanaba," said Edick. "It shows what our people can do when they work together. Project Pride has received nationwide attention, so it is proper that we should give it recognition here."

Free Of Debt

Erling Arntzen said that it probable that the success of the Rotary Camp Harstad project for crippled and handicapped children inspired the community effort. When Tom Quinn was president of the Chamber of Commerce he proposed the Project Pride idea to build a C-C office building, and contributions of labor, materials, money and time were received to complete the work.

The building was delivered free of debt (and included a scrubbing machine for the floors) to the Chamber by Project Pride. Only one loan (for \$2,000) was needed and that was paid off in 60 days, Arntzen said.

Albert Valind of the Delta County Chapter of the Association for Retarded Children and his group received high praise from Arntzen for their dedication to the Project Pride school building project which is now nearing completion. For the past year Valind and his group have worked with Project Pride to provide class rooms for the retarded children of the county.

Will Be Ready Soon

Valind said that depending on finances the school will be able to accommodate about 30 children, and that inquiries have come from parents throughout the county. The building will be ready for the opening of classes next fall. It is located in the Webster playground area in North Escanaba.

Among Project Pride workers who could be present for the Rotary luncheon meeting were Valind, Harry Needham, Mel Oslund, Al Brandt, Claude Bohn, Charles Neumeier, Don Brandt, Tom Quinn, Swede Boudreau and others.

Three new members were inducted into Rotary: Dr. James Gordon, Earl Uecke of the First National Bank and Richard J. Pariso of the State Bank of Escanaba.

Isadore Stein reported to the club in connection with efforts to encourage young people to complete their high school education. Robert Mosenfelder, club president, conducted the meeting.

ROAD MAP MARKINGS

In markings on road maps, a shield enclosing a number means a U.S. interstate highway and a circled number means a state highway.

MARY ANN SCHLEICHER, 18, daughter of Mr. and Mrs. Gerald Schleicher, 409 S. 14th St., was selected as one of the 10 finalists in the Miss Delta County Contest to be held Saturday, May 9. Miss Schleicher is a senior at Escanaba Area Senior High School and plans to attend Michigan State University in the fall. For the talent competition she will present a humorous narrative. Her activities are, Mortarboard, head majorette, Library Club, Future Teachers, Future Nurses, Luther League vice-president, Choir, marching band and is an honor student. She is five feet six inches tall, weighs 125 pounds and has brown hair and green eyes. (Portrait by Lee's)

Peninsula Ferry Hookup Studied

LANSING (AP) — Chairman Peter Spivak of the State Public Service Commission Tuesday described as "half-hearted" and "casual" a request by the Mackinac Transportation Co. for an extension of time to repair the railroad ferry Chief Wawatam.

Proposed abandonment of the railroad ferry across the Straits of Mackinac has been termed the key to several other proposals to cancel existing railroad freight service in northern Michigan.

Spivak said he had received a copy of a letter from the transportation company asking the Coast Guard to reconsider its denial of an extension of time to make repairs of the ferry. Spivak noted the letter said the commission had specifically requested that the decision be appealed.

"It would appear that this is at best a half-hearted request," Spivak said. "The implication is that the company is only asking because it has been urged by the commission and interested citizens."

The governor and the citizens of the state "are entitled to know why the Mackinac Transportation Co. apparently feels it

can be casual about its failure or unwillingness to repair the Chief Wawatam and its apparent attempt to abandon service without waiting for a hearing," Spivak said.

Spivak noted that the counsel for the company also is attorney for the Pennsylvania Railroad, which seeks to abandon 233 miles of track in northern Michigan.

The Ann Arbor Railroad ferry, he said, is part of the Pennsylvania system. The ferry operates from Frankfort to Menominee and Manistique in the Upper Peninsula.

"The Pennsylvania thus could continue to move freight to and from the Upper Peninsula through its subsidy even if the straits ferry were abandoned," he said.

THERE AIN'T NO MORE

KEY EST, Fla. (AP)—A coffeehouse has been opened at the point where U. S. Highway No. 1 deadends at the Gulf of Mexico. The highway stretches from Fort Kent, Maine, to Key West where it can go no further. The coffeehouse is called "The Ultimate End."

Jobless List Drops In April

Unemployment in the Delta-Schoolcraft area has dropped since last month, according to James Damitz, manager of the local Employment Security office.

There are 1,045 individuals registered for work in the area, including 207 females and 278 veterans. The total is approximately 200 less than one month ago and 450 less than a year ago. In addition to regular applications, there are about 60 young people who are seeking full or part time work for the summer months.

Damitz said unemployment should continue to drop quite rapidly during the next few months as a number of seasonal activities will resume operation.

A number of woodworkers are being recalled to cut and strip poplar. There is a definite shortage of experienced woodworkers to cut pulpwood. Anyone with previous experience in cutting pulp who is interested in securing woodwork is urged to contact the local employment office.

Employment in manufacturing has remained quite stable during the past 30 days. There were about 15 layoffs but these were more than offset by gains in other establishments. The American Playground and Device Co. of Nahma is again operating full time.

At present, Damitz said, there is definite shortage of experienced stenographers. Many employers are reluctant to hire an individual who has been trained but has not had at least some paid experience. There is also a shortage of experienced waitresses. This shortage will become more acute as the season progresses.

Tech Wins

HOUGHTON — Members of the Michigan Tech Forestry Club took top honors last weekend in the 11th annual Midwestern Foresters Conclave at Michigan State University in East Lansing.

It was the third time in four years Tech has won the title. Tech's foresters scored 29 points, followed by Purdue and the University of Michigan with 24½ each and Southern Illinois University with 16.

Sportsmen's Club Trapshooting To Open Thursday

Delta County Sportsmen's Club inaugurates its shooting season with the first 1964 trapshooting Thursday evening at the club grounds beginning at 6. Most of the sportsmen will have their first look at the new skeet field, which will soon be ready for use. Shooting is open to all.

State and federal legislation in the conservation field will be discussed at the business meeting to follow the shooting, at 7:30. Two delegates to the Michigan United Conservation Clubs convention to be held in Kalamazoo on June 17-18-19-20 will be named.

Following the business session there will be lunch and the showing of fishing movies.

City Ambulance Offers New Service

City Ambulance of Escanaba is offering to the people of this area a service plan that could include each and every person a way to get to the hospital safe, fast and comfortable, and the cost would be practically nothing.

If enough people were interested the charge to use our services would be not more than \$11.00 a year! And you could within reach of your telephone, 24 hours a day, 7 days a week use the services of City Ambulances. Also if enough persons were interested the radius could be enlarged more than 30 miles and the number of ambulances increased.

If you are interested fill in the application for complete details:

Postal Service Changes Minor

The vast majority of the residents of Escanaba will not be affected by the recently announced adjustments in parcel post and postoffice window services, Postmaster James E. Pryal said today.

Pryal explained his statement was prompted by some misunderstanding about the scope of these changes.

Recapping the local situation, the Escanaba postmaster said essential Saturday service remains, main office stamp and parcel post window will remain open as usual, money orders can be purchased at the North Escanaba Station located at 1101 Sheridan Road and at the South Side Station located at 1408 8th Ave. S. Rural carriers will continue to give all their regular services.

Parcel post will continue to be delivered each day as usual on "mounted" routes rural carrier routes and to post office boxes. City carriers will continue to deliver parcel post packages that are two pounds or less.

At the same time Pryal said he has received information on the national scope of the service adjustments which indicate very little overall effect is anticipated from the order, starting May 4.

Many of our local people who send mail to other points — many who will visit other cities and transact postal business in those areas — and others who will be in other communities at vacation time will be interested, he explained.

Parcel Post
He released the following national findings on the overall effect of the adjustments:

Parcel post deliveries are not affected at all on 24,934 city routes where the carriers are "mounted" (on Vehicles), on 32,299 rural delivery routes and on 7,802 contract ("star") routes delivering mail. On 78,576 city delivery foot routes, parcels up to two pounds (and not bigger than a shoe box) will be delivered. About one-fourth of all parcel post pack-

ages are two pounds or less. Service is affected only on parcel post routes (about 16,000 full and part-time routes) which will be in service five instead of six days a week. Postmasters will adjust service to local parcel volumes and only an estimated 6 to 8 percent of total parcel post will be affected in any way.

More personnel are being assigned weekend duty at many postoffices, and parcels will be speeded throughout the postal system for local deliveries at all points, including Escanaba. This and other actions to eliminate delays will largely or entirely offset any delays that would otherwise result from the adjustment, and it is expected overall service will be improved.

About 28,000 smaller and medium-size post offices do not have any parcel post routes now and their service is not involved at all, of course.

Window Service
The only principal service affected by the consolidation of window services into one window on Saturday mornings at some post offices (about 12,000 large offices) is domestic money order service.

Money order sales on Saturday will — with very few exceptions — continue in about 7,000 "contract" postal stations (typically located in suburban shopping center drug stores), providing domestic money order service in virtually every city where orders are not sold at the post office on Saturdays.

Consolidated windows will continue to provide all essential services — stamp sales, parcel post transactions, registry, C.O.D. services, etc.

Post office lobbies normally open on Saturday will not be "closed down." Lobbies will be open for lock box services, stamp dispenser service, mail deposit, etc.

Postmasters at most smaller post offices will sell, and rural carriers will continue to take applications for money orders on Saturdays. Postmaster can sell the orders if they can do so without any effect on manpower usage (affecting about 20,000 smaller post offices). Rural carriers serving out of such offices will dispatch money orders received on Saturdays on the same day; other-

'Clayt' Brown Taken By Death

Lewis Clayton Brown, 73, widely known and esteemed retired Conservation officer, died suddenly of a heart attack Tuesday at 3:10 p. m. at the family home, Bark River Rte. 1.

Mr. Brown was born in Marinette County, Wis., Aug. 16, 1890, and he married the former Thilda Lofquist Nov. 15, 1917.

He was a Conservation officer for the State of Michigan, starting with the Department in 1928. He served in the Ralph and Amasa areas and in the Escanaba area from 1941 until his retirement in October of 1956.

One of the area's most popular conservation officers, Mr. Brown was honored with a farewell party at his retirement that was well attended by friends and associates. State, regional and local law officers were among those who paid tribute to him as a faithful officer and good friend.

Surviving are his wife, one son, Lewis C. Escanaba, two daughters, Mrs. Robert (Eunice) Timmer, Ironwood, and Mrs. Walter (Kathleen) Armbruster, Garden Grove, Calif., seven grandchildren, one brother, DeWayne of Felch and two sisters, Mrs. Fred Merret, Dunbar, Wis., and Mrs. Mabel Kennedy, Buffalo, Wyo.

Friends may call at the Anderson Funeral Home from 4 to 9:30 p. m. Thursday.

Complete funeral services will be held at the funeral home chapel Friday at 1:30 p. m. The Rev. Karl J. Hammar, minister emeritus of Central Methodist Church, will officiate. Burial will be in Lakeview Cemetery.

wise if they serve out of larger city offices, their rural money order applications will be handled early Monday.

Window services in at least 20,000 post offices which have never had more than one window open on Saturdays are unchanged.

L. C. Brown

Men's Forum Here Thursday

Information relating to such personal and important matters as trusts, wills, estates and personal taxes will be presented at a Men's Forum sponsored by the First National Bank of Escanaba and to be held at Mar-co's from 7:30 to 9:30 Thursday.

The free Forum for men follows a recent highly successful program of similar information attended by women of the community.

The speaker for Thursday evening will be Frederick Strong, trust officer and assistant vice president of the National Bank of Detroit. Strong is known throughout the Midwest as an authoritative and interesting speaker on estate, trust and related tax matters.

Matters of importance involving wills, conservation of estates, succession of family property ownership and estate taxation will be discussed at the free forum for men who are planning or wish to plan for their future and the future of their family.

Reservations for attendance can be made by calling the main office of the First National Bank. Admission is free and coffee and dessert will be served.

Gladstone Over On Blood Quota

Gladstone with a quota of 95 went "over the top" substantially in the response of donors to the Blood Bank on Tuesday, opening day.

One hundred and ten pints of blood were received at Gladstone and additional donors who were unable to keep appointments indicated they would give to the Blood Bank at Escanaba today or Thursday.

Because of Delta County's membership in the Badger Blood Bank all residents of the county receive blood free when they are patients in any hospital in the nation. The only cost to the patient is the hospital's cost of administration.

In Escanaba the blood procurement clinic is at the First Presbyterian Church. Walk-ins will be welcomed. The quota here is 135 pints of blood each day.

The clinic will be open until 7:30 tonight. On Thursday the hours are 10 a. m. to 3 p. m.

Menominee Cancer Fund Goes Over

MENOMINEE — Mrs. A. W. Turner, chairman of the Menominee Chapter of the Cancer Society, announced today that the 1964 Cancer Crusade was completely successful. About \$1,800 was collected in the county, and \$1,400 in the city, and there are still checks coming in to headquarters.

Because of the inclement weather last week, some households may not have been contacted. Those who were not called on and who would like to make a contribution are requested to send their remittances to Eleanor Grassl, 216 5th St., Menominee.

Briefly Told

A traffic ticket for improper backing was issued to Clarence M. Garrett, 913 S. 18th St., by Escanaba police.

The Press regrets incorrect statement that Ronald Vanderlinden, Rte. 1, Gladstone was charged with being a minor in possession of beer. The charge was against Roland Vanderlinden, same address.

Raymond T. Chaillier, 54, of Escanaba Rte. 1, escaped injury when his car went out of control and into a ditch on a curve of the Danforth road at 12:49 a. m. today. Police ticketed Chaillier for failing to exercise due care.

Delta County Tax Allocation Committee met Tuesday evening and reviewed the tentative budget requests. The Committee will meet for final review of the budget on May 14 at 7 p. m.

Escanaba police said they have at the police station a boy's Columbia bike, red and white, with the name "Stash" on the top bar. Beneath the seat are the initials S. J. J. The owner can claim the bike by calling at the station.

Six representatives of the Prudential Insurance Co.'s Escanaba District Agency, 110 S. 4th St., will attend the company's regional business conference at New York City, May 17-20 at the Americana Hotel. The group includes, Burton B. Butler, district agency manager, Howard Varvil, staff manager, Denham Lord Jr., Leonard Olson, Kenneth Maycunich and Joseph Wolfe, agents.

Richard Deno, 17, of Rte. 1, Escanaba was arraigned Tuesday afternoon before Municipal Judge James Fitzharris on a charge of malicious destruction of property. He was fined \$25 and paid \$5 court costs. He was also fined \$3 with \$2 costs for no operator's license. Deno must make restitution to owners of the mailboxes he damaged.

Tavern Robbed Tuesday Night Near Menominee

MENOMINEE—The Eagle's Nest Restaurant and Tavern, three miles north of Menominee on U. S. 41 was robbed by a young man with a revolver Tuesday at about 10:45 p. m. About \$100 was reported stolen.

According to Stephenson State Police a barmaid was alone in the bar at the time of the incident when the young man, described as possibly being a teenager, entered the bar carrying a revolver and demanded the money.

The robber was seen leaving the scene by foot. He was described as being short, with light brown hair and wearing a tan jacket and blue jeans.

State Police are continuing investigation and anyone having information concerning the youth is asked to contact the Sheriff's Department or the State Police.

Trenary

Guild Meeting
St. Anne's Guild of St. Rita's Church will meet Thursday, May 6, at 8 p. m. at the parish hall.

The Cancer Drive is being conducted in Mathias Township today, (Wednesday), May 6. The following volunteers are soliciting: Judy Tuuri, Fred Storch, Cheryl Cady, Kristine Hager, Karen Hager, Lynn Mariin, Ann Finlan, Margaret LaCombe, Robert Hallinen, Emily Savola, Bruce Hallinen and Ronda Bucholtz, chairman.

Obituary

MISS FLORENCE KELL
Funeral services for Miss Florence Kell were held Tuesday at 2 p. m. in the Kell-Ton-din Chapel at Spalding with the Rev. James Lumsden, pastor of Hermansville Methodist Church officiating. Burial was in Wilson Cemetery. Pallbearers were William, Norman and Oscar Kell, Walter Piche, Earl DuBois and Wallace Wells.

Wake up rarin' to go

without nagging backache

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless, uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1, by speedy pain-relieving action to ease torment of nagging backache, headaches, muscular aches and pains. 2, by soothing effect on bladder irritation. 3, by mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years. For convenience, ask for the large size. Get Doan's Pills today!

Transportation Clinic

The UPCAP conference on Upper Peninsula transportation in Escanaba developed a picture of transportation services which is better than its reputation, but which has some serious problems that should engage the immediate action of the Upper Peninsula Committee on Area Problems and other economic development groups.

This needed action already is underway in some areas. UPCAP is in conference with the Northern Development Council about the problem of the Mackinac Gateway. The effort of the Mackinac Transportation Co. to end its railroad car ferry service between St. Ignace and Mackinaw City would sever the commercial transportation jugular between the two peninsulas of Michigan.

The joining of the Northern Development Council in the top of the Lower Peninsula and UPCAP in the Upper Peninsula in an effort to solve a serious state transportation problem uses the potential of organized effort. Communities of the Upper Peninsula faced with transportation problems have only limited means of solving them. But when a large area bands together to accomplish something the ineffectual nibbling process ends and a regional force is created that commands the attention of state and federal governments and of major economic authorities.

The findings of the transportation workshops are being processed to create the basis for an action program. The findings include:

1. Severance of rail connections at Mackinac would have huge transportation implications whose full effects have not been measured, but which should be measured immediately to encourage opposition to this cut-off.
2. The Mackinac (highway) Bridge tolls are controversial, but the Bridge Authority is doing what it can to stimulate traffic within the limitations of its bonding contract.
3. The Upper Peninsula should undertake projects to stimulate bridge traffic.
4. The railroads of the U.P. have surplus capacity to serve business and industry.
5. Trucklines are performing U.P. distribution services of a quality not warranted by the traffic for much of the year.
6. North Central Airlines is providing good air service in the Upper Peninsula, but some areas are served better than others. Even better air service is possible with proposed mergers and with development of more U.P. air traffic.
7. Passenger travel promotion in the U.P. can be aided by support of the Upper Michigan Tourist Association.

The scope of the transportation conference was unprecedented and its general tone was encouragingly optimistic. It revealed some serious problems, but also suggested the means of solving them by cooperative action. Support of UPCAP leadership in a transportation development program will help change transportation from a conversation piece to an action program and this is our need.

Meanwhile it's good to know that the U.P. is quite well served in many industrial situations and very well served in others; that its industries are not under competitive disadvantages in transportation in their major markets.

Washington Comment

By RAY CROMLEY
WASHINGTON — (NEA) — The techniques used by President Johnson, Labor Secretary Willard Wirtz and their aides to reach the railroad-labor agreement were somewhat unusual.

"Whether the settlement was fair or unfair," says one man concerned, "the talks were like negotiating while a man sits in front of you with a cocked pistol in one hand and a carrot in the other."

In the settlement, railway workers won victories on holidays, away-from-home expenses and pay. Carriers can reduce slightly the number of men manning self-propelled vehicles and use road crews in some limited yard operations.

A man close to railroad circles says bluntly: "Why did we sign? I'll tell you. It looks like Mr. Johnson will be President for the next four years and possibly for the next eight—and that's why we signed."

"Another railroad source said rate legislation is now before Congress. He said it had been made clear to the railroads that things were likely to get better for that legislation if they signed the agreement, and worse if they didn't."

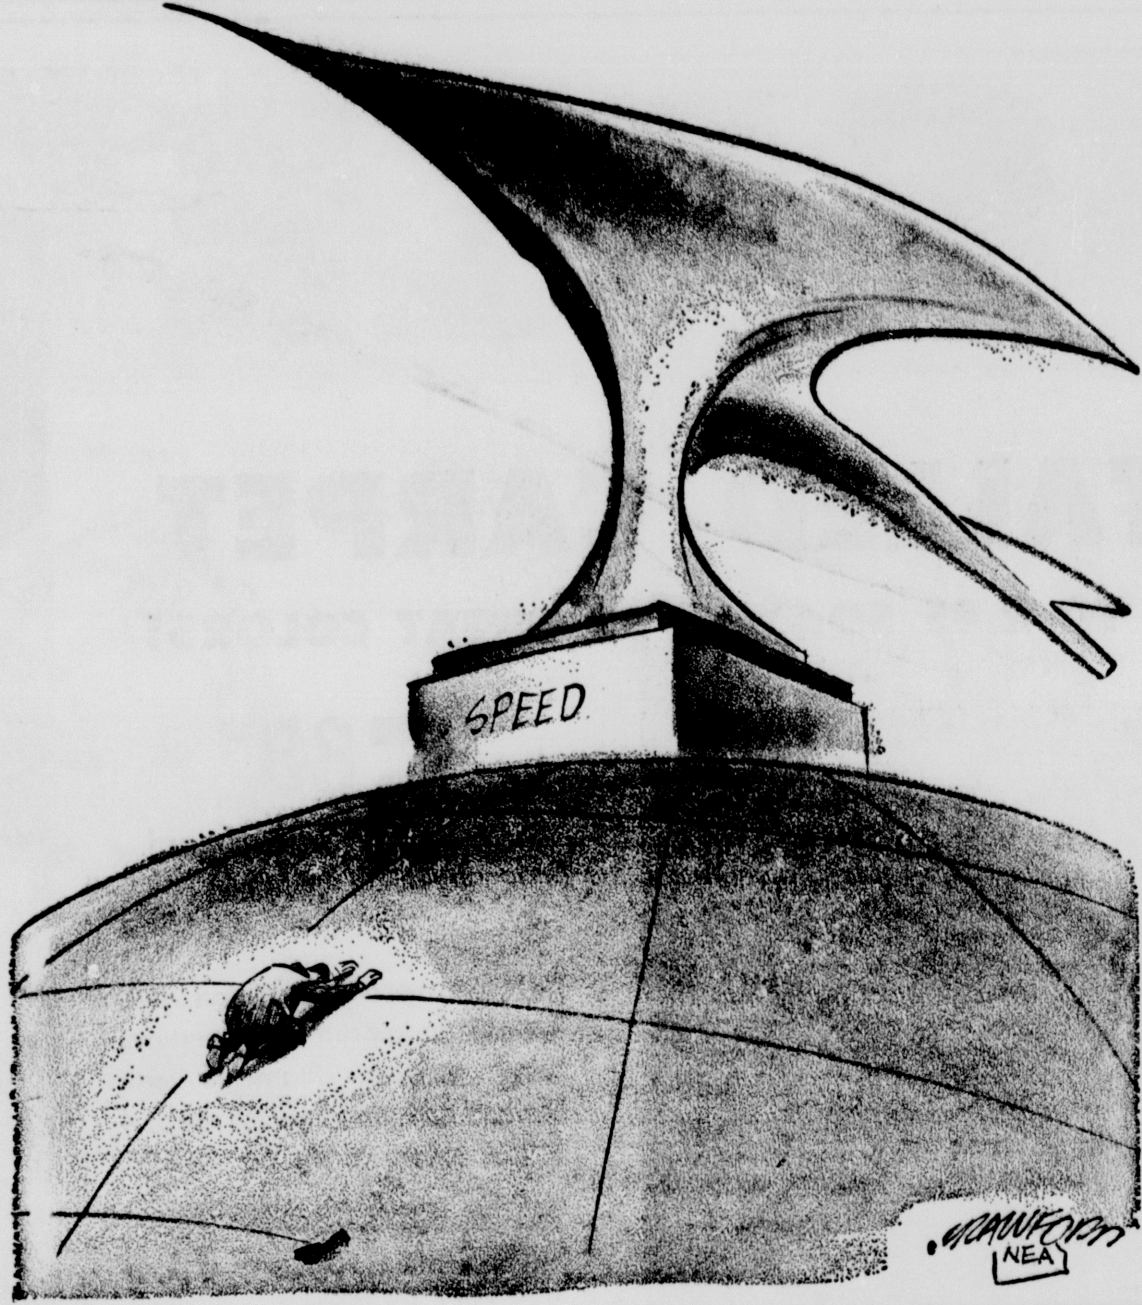

This man was referring to HR 9903, which the railroads badly want. This bill would give rails a greater chance to compete with trucks and barges in shipping agricultural commodities.

It's touch and go whether HR 9903 will be passed this year. President Kennedy favored the idea. President Johnson has been neutral in the main. If he wanted, Mr. Johnson could likely swing the balance and get this bill through.

Another transportation man said President Johnson also could, if he wishes, do railroads a favor in rail mergers. Many lines consider mergers crucial if they are to build healthy systems. But more mergers have been difficult to get through the Interstate Commerce Commission.

Though the ICC is "independent" of the White House, the President's views on whether merger policy should be liberal or tight could have considerable influence.

One railway man notes in this regard that "President Johnson is a good politician."

Ann Landers

Leave Glasses Off In Casket

Dear Ann Landers: I just returned from the funeral of a good friend. While we were waiting for the minister I heard a woman say to her husband, "If I die before you do, Clarence, please remember I don't want glasses on my face when I am laid out. Glasses look foolish on a person whose eyes are closed."

The gentleman who was being buried had worn glasses for over 40 years. His son put them on because he wanted his father to look as natural as possible. People who have always worn glasses just don't look right without them.

I mentioned this to a few people and they all agreed with me. Now I'd like to hear your views.—NO NAME PLEASE

Dear No: The idea behind putting a corpse on display is to suggest that he is only sleeping. Since it is unlikely that the man slept with his glasses on, they should be left off for the funeral.

Dear Ann Landers:

I am very much in love with my fiancée. He is in love with my fiancée. This is not imagination—it is fact. We've discussed it in detail and he refuses to deny or admit it. He also refuses to break our engagement because he says I will be a better wife for him and a better mother for his children.

When we are alone or with others I couldn't ask for a sweeter guy. But when this girl is present it becomes painfully apparent that they have eyes only for each other.

She is much prettier and livelier than I am and it isn't hard to see why he is in love with her. Yet he refuses to break off our engagement and marry her.

I plan to go ahead with the marriage, knowing all this, simply because I don't have the will power to give him up. Help, please.—A LEMMING

Dear Lemming: You are determined to ignore your head and listen to your heart. Your fiancée has chosen to ignore his heart and listen to his head.

If you marry him—and I am reasonably sure you will—you will be making a dreadful mistake. A lifetime is too long to live feeling you were the second choice.

Kindergarten Planning Tea For New Class

RAPID RIVER — Miss Loretta McCarthy, kindergarten teacher at Rapid River's Bay de Noc Elementary School, announces a get-acquainted tea will be held for children whom will be attending kindergarten at the Rapid River School next September. The tea will be Thursday, May 7 at 2:15 p. m. in the multi-purpose room of the elementary building. Mothers are asked to accompany their youngsters.

Children must be 5 before December 1 to register for the 1964-65 school term.

Cards have been sent to some parents who are on the school's enrollment records. Parents not receiving cards, but have children eligible for September kindergarten class, are also asked to attend.

A program will be presented by this year's kindergarten class. Refreshments will be served by the Stoughton and Rapid River mothers.

Memory Lane

By J. R. LOWELL Ten Years Ago

Congress today approved of the St. Lawrence Seaway and President Eisenhower is certain to give the project his approval. Escanaba, along with the hundreds of shipping points along the Great Lakes, is watching eventualities.

Robert A. Peterson, son of Mr. and Mrs. Harold Peterson, 221 S. 17th St., has been awarded a \$500 scholarship given by the Atlas Press Co. He is a senior in Escanaba high school.

Mrs. John Kelly and Mrs. G. S. Johnson have been elected delegates to represent the Manistiquette Women's Club at the annual district convention of federated women's clubs to be held at Blaney Park in June.

Bert J. Lundblad, who has been associated with the Greyhound Bus Co. for the past 15 years, has resigned to take a position with the Shipstad & Johnson Ice Follies.

Alex Robertson, William L. Norton and Carlton Siddall have been elected delegates to attend the coming district convention of Lions Clubs at Calumet.

Dr. and Mrs. Herman Kasen of Gladstone left the first of the week for Seattle, Wash., where they will visit relatives.

Ellsworth Ranguette of Nahma and Walter Arntzen of Escanaba have entered planes in the Upper Peninsula Legion air classic to be held next week at Menominee.

The Stone Anderson sawmill at Rapid River has resumed operations, giving employment to about 40 men.

Carlton Passenheim of Manistiquette, student at Michigan Tech, will receive his bachelor of science degree in engineering in June.

At Ireland's Blarney Castle, the first duty of custodians each morning is to scrub the lipstick of yesterday's women visitors off the Blarney Stone.

The Doctor Says:

Trichinosis Has Heavy Toll

By Dr. Wayne G. Brandstadt.

When the cause of a disease and effective preventive measures have been known for more than 100 years, it should come as a shock to learn that some 27 million persons in the United States have that disease. Yet this is the case with trichinosis, an infestation with a microscopic worm. Fortunately, it is so mild in most of the victims that they don't know they have it.

In man it is caused by eating raw or inadequately cooked products from hogs which are infested with trichinae.

The worm in a resting stage becomes encysted in the animal's muscles and, when the pork is eaten, the digestive juices dissolve the cysts and the worms become active in the intestinal tract. Although they do not harm directly they leave behind myriads of youngsters (larvae) that penetrate the intestinal wall and are carried in the blood or lymph stream to the muscles of the victim.

There they turn into a resting stage but if there are enough of them they set up an inflammatory reaction. This causes the victim to have fever, weakness, headache and soreness in the involved muscles. A massive infestation may even cause death or death may be

caused by a high concentration of the parasites in the heart muscle.

Until recently there was no cure for this disease but thiabendazole, a drug that has long been used to treat a variety of infestations in animals. It has now been tried on a human subject with excellent results. The best treatment, however, is still prevention and this consists of refusing to eat any pork products that have not been thoroughly cooked. Of course, pork found on government inspection to be infested is condemned.

There are still some persons who have a decided preference for raw pork and even they can protect themselves by storing the meat in a deep freeze at 0 degrees for 24 hours or at 5 degrees for three weeks.

Q — I have been taking Orthonovum pills for 3 months and have noticed that I have to urinate frequently. Does this drug harm the kidneys?

A — Orthonovum is a synthetic steroid hormone. With the proper dosage it causes no serious side effects in normal persons but if urinalysis shows that you have a kidney disease you should discontinue its use as it may aggravate the condition.

HONOR HARVEY
Is the current controversy over the naming of the Sault lock over? Let me strengthen the long overdue nomination of Charles Thompson Harvey . . . a man who has done more than any one individual for the destiny of a free world.

Charles T. Harvey, the engineer who accomplished the near-impossible task of driving a ship canal from the lower lakes into the forbidding Lake Superior, transforming a remote Michigan portage into an international waterway greater than the Suez and the Panama canals combined. Did they name a lock after Harvey? Oh, no — but General Poe, Charles Davis, Godfrey Weitzel and the late General Douglas MacArthur were so honored.

The people of that era called it the Harvey Ditch . . . that was later to be declared the most important mile — THE MIRACLE MILE — to all America! The salesman from Connecticut who came to Sault Ste. Marie in 1852 to sell Fairbanks scales, stayed, despite tremendous obstacles and ruthless opposition and with his invention of the Harvey Hammer, a sailcloth cofferdam and a superabundance of courage, daring and ingenuity, completed the Michigan locks — and with the cheap water-haul they made possible — pushed the nation from fifth into first place among steel-making countries.

"The opening of the Sault Canal," said Peter White, Marquette's first citizen, "has been of the largest benefit to the United States of any single happening in commercial and industrial history." Why ignore the man who accomplished this?

I call him the ignored salesman of destiny. Stewart H. Ho-brook has called him "a lost man of American history" and these descriptions are most apropos, but why do we continue to overlook this notable endeavor?

Newspaper want ads are a big sell! Eight hundred million was spent on classified ads last year . . . more than for all television spot announcements or radio advertising.

By JEAN WORTH

NASSAU — While the Upper Peninsula works to develop its tourist business with package tours and other techniques discussed at the recent Upper Peninsula Committee on Area Problems transportation conference in Escanaba, some of its people are being impressed with what other areas have done in this field.

An example is the annual awards trip of Carpenter Cook Co. of Menominee for Independent Grocer Association (IGA) store owners and department heads who met sales quotas. Last year they were in Jamaica, this year they were here in the Bahamas April 23-28 and next year they go to Puerto Rico.

From Emmet Vallier of Naubinway to Reino Seppala of Covington the grocers and their wives in a group of 160 were air lifted in a charter jet plane from Milwaukee. Three hours later they were in the Bahamas, where Christopher Columbus made his first land fall in the New World in 1492.

For a week their northern stores seemed far away, except for morning business sessions for the men addressed by persons like Don Grimes of Chicago, head of IGA.

Create Boom
The dramatic impact of such packaged holidays impresses our Northern travelers and they note that the Bahamas and other islands of the Caribbean have lifted themselves out of economic doldrums and poverty with the tourist business. Here in Nassau on Providence Island, the capital of the Bahamas (700 islands and 2,400 cays and reefs scattered over 800 miles of blue sea between Miami, Fla., and Haiti) tourists account for 80 per cent of the economy.

The islands of the Caribbean are world-famed, white-beached paradises set in a turquoise sea, but they never found their current popularity and income until travel to them was organized and promoted. Now, from fall to spring their resorts are crowded and building is the third largest industry. Actually their summers are as cool as their winters; the temperatures varying in the Caribbean only between 75 and 85 degrees, so that there's no sharp division between seasons.

After Columbus found the Bahamas the Spaniards shipped off their Indians to Cuba and Hispaniola and after settlement of the islands by British colonizers, Negro slaves from Africa were imported to work the plantations.

Briefly American

Nassau, first called Charles Town, has been the seat of government of the islands since 1671. At the start of the American Revolution an American naval squadron held Nassau briefly and later British Loyalists fleeing America after defeat of Britain in the Revolutionary War settled the Island of Abaco in the Bahamas. Former Speaker Pritchard of the Bahamian parliament, who addressed the IGA President's Dinner, is a grocer whose family went from Carolina to Nassau after the British were beaten by the Colonies. The family is now in its 7th generation in the Bahamas. Pritchard on one of his many visits to the States, visited Pritchardville, Carolina, founded by his family.

During the Civil War the Bahamas were a trading area for outbound Southern cotton and inbound guns, but after the war they slipped back into poverty until Prohibition in America made them rich again with rum running. It wasn't until after World War II that the Bahamas were changed from a millionaire's playground to a popular playground.

The phenomenal growth of plane travel has revolutionized

recreation business in the Caribbean and nearly three-quarters of a million persons visit the area each year.

National Influences

The island groups reflect in their cultures, entertainment and diets the national influences which their colonizers brought to them. In Nassau the influence is British. Of the 90,000 Bahamians living in the 18 major island groups, about two-thirds are Negro, a sixth white and the rest of mixed heritage, with none of the original Caribbean Indians surviving.

Nassau has no property or income taxes, which is even more remarkable than its three forts. It lives on import duties, the architecture is mostly early Georgian and old custom has acquired new values and, as in Paris, you can't build new structures that don't conform with the old now. The stucco is white or pink, the harbor and shopping area are colorful and the popular musical literature seems dominated by "Yellow Bird" and "Mary Ann," although Satchmo is making inroads with "Dolly." Fire dancers and limbo dancers threaten the insurance actuarials and the human spine everywhere. Its a great place for color photographers like Casimir Milkiewicz of Escanaba, who recorded the holiday for CCC in movies.

Across from Nassau, Huntington Hartford, the A&P heir, is transforming Hog Island into Paradise Island as a tropical playground. The water is everywhere and put to great use by sea garden visitors strolling on the ocean floor, scuba divers, swimmers, water skiers, yachtsmen and fishermen.

The night life bounces with calypso singing, goombay music, bongo drums, steel bands and baracas shakers. The pirates who once infested the Bahamas are gone and the visitor gets such a welcome that he must be wary that he is not overwhelmed.

Cable Breaks

TOKYO (AP) — A deep sea telephone cable being laid as the last link of a 5,500-mile-long Hawaii-Japan cable broke Monday in rough seas 90 miles off Japan's Chiba Peninsula.

The cable ship Long Lines reported it was going back 20 miles to try to pick up the broken end in 4,000-foot-deep seas with an anchor.

Delta District Tree Planters Set Out 100,000

Delta County's annual Spring tree planting program is in full swing today with at least 100,000 trees being planted by county land owners, the Delta County Soil Conservation District reports.

Besides this organized district program there are private

planting projects by individual landowners.

Most of the planting now being made, says Irwin Ten Haken, soil conservationist of the Soil Conservation Service, are for forest purposes. The Soil Conservation District, which supplied 60,000 trees to purchasers Tuesday from Wyman Nursery stocks at Manistique, reported that its activities were down slightly from last year's volume.

No Christmas tree seedlings nor transplants are being supplied by the Soil Conservation District, but some yule tree plantations are being made by private purchasers. Scotch pine is the favorite for Christmas tree plantations.

White spruce was the predominant tree in purchases for planting this year, which Ten Haken said is a good choice, dictated by types of soil to be planted. "We have more spruce type soils than others," said Ten Haken.

Red pines were second choice of the planters. The spruce are intended for pulp purposes and the pines for sawlogs use but also for pulp, especially thinnings.

Most of Delta's trees this year are being hand planted. The bigger-buyers use machines for planting, but many of the Soil District's buyers are small landowners and many are enriching thin forest stands or bolstering previously planted areas.

One of the largest planters this year is Onnie Johnson of Rock, who is planting 30,000 white spruce on his several properties in the Rock area. Minimum order for trees was 250.

Pulp purposes are the prime market aim of tree planters in this area.

Only the heartwood of ebony is dark-colored before it is finished.

DELTA COUNTY Soil Conservation District distributed trees for spring planting to purchasers at the U.P. State Fair Grounds Tuesday, and planting is in full swing in the Delta County Area. Pictured on the truck is Gus Matilla of Rock receiving trees from Robert Norden of Rock, who bought the trees and will plant them on his land. The trees are white spruce transplants and Norden will set in 5,000 of them. (Soil Conservation Service Photo by Irwin Ten Haken)

Johnson's Heart Still Doing Fine

(Continued from Page 1)

nently by Johnson's coronary thrombosis in 1955.

2. "Normal" pulse: Means that Johnson's heart is responding well to its work-load—that is, it's not going too fast, or too slow.

3. "No enlargement of the heart": Means for one thing that the area of heart muscle damaged when a clot blocked Johnson's coronary artery during the 1955 attack has healed well. It also means that unaffected muscle in the heart has been able to carry the heart's work-load without becoming enlarged.

In Bed By 11

Signs that the President knows how to taper off from a hard-driving schedule include the following:

During his walkathon in the White House back yard last Saturday he told reporters he is usually in bed by 11 p.m. — and watches television or reads until about 2 a.m.

He is awake by 6:45 a.m.—automatically, and without any alarm clock, he indicated—but he stays abed a couple of hours after that, reading, or just resting.

Thus, he indicated, he rests up to 10 hours, even though he's not sleeping that long.

Moreover, he swims before lunch—and takes a nap every afternoon.

Former Conductor On C & NW R.R. Dies Suddenly

Alfred W. Teller, 76, of Green Bay, Wis., a retired passenger conductor on the Streamliner "400" of the C & NW Railway, died suddenly of the heart attack in Los Angeles on Sunday.

Mr. Teller has worked on the Peninsula Division of the C & NW and as a conductor, he retired in 1957.

His wife, the former Leona DeLangis of Iron Mountain, preceded him in death. He is survived by a daughter, two grandsons and one sister.

Friends may call after 7 p.m. today at the Schauer-Schumacher Funeral Home in Green Bay, 340 S. Monroe. Funeral Services will be conducted at 9 a.m. Friday at the Church of the Annunciation in Green Bay. Burial will be in Iron Mountain.

Public Service Cuts Menominee Electric Rates

LANSING — The Michigan public service commission announced Tuesday 1,000 electric customers of the Wisconsin Public Service Corp. in Menominee and Menominee County are to receive rate reductions totaling \$22,000 annually.

On Apr. 24 the commission also announced a \$20,350 reduction to 2,278 customers of the company living in the city of Menominee.

The rate cuts result from renegotiation of rates as a result of reductions in corporate income taxes.

Peter Spivak, PSC chairman, said Tuesday's reduction takes effect Friday and will average about 2% on estimated revenues of \$1,155,000.

Tornadoes Kill 2 In Nebraska

By The Associated Press
A rash of tornadoes and severe thunderstorms struck areas in six Midwestern states Tuesday killing two persons, injuring more than 40 and causing extensive property damage.

Heavy rain, hail and tornado winds swept sections of Nebraska, North and South Dakota, Minnesota, Iowa and Kansas. Severe spring storms struck after temperatures had climbed to summer levels—mostly in the 70s and 80s.

Nebraska appeared the hardest hit. A series of tornadoes struck several small communities and farm areas in the central part of the state. Two persons were killed and 12 others injured when a tornado ripped through a farm area between Bradshaw and Benedict in the south-central region. At least 24 persons in Nebraska suffered injuries.

Carrier Collides With Destroyer Off Cape Henry

NORFOLK, Va. (AP) — The aircraft carrier Lake Champlain and the destroyer Decatur collided 150 miles east of Cape Henry today during anti-submarine warfare operations.

Atlantic Fleet Headquarters reported no one was injured.

A fleet spokesman said the Decatur's superstructure was damaged heavily in the collision. There was no apparent damage below her main deck.

One airplane aboard the Lake Champlain was damaged.

The collision occurred as the destroyer was moving away from the carrier after refueling, the spokesman said. Visibility was four miles and seas were moderate.

The Decatur, accompanied by the destroyer Gearing, headed slowly toward Norfolk, where she is expected to arrive Thursday morning.

The Lake Champlain resumed operations at sea.

Sewer Project Bids Scheduled

The Escanaba City Council will open bids at 2 p.m. Tuesday, May 12, for the construction of a sanitary sewer project which will be one of the largest public works jobs in this community in several years.

Cost of the project will be financed in part by a federal

grant as an Accelerated Public Works Project. The federal grant is for \$132,000.

City Manager George Harvey said that under the APW Act labor must be employed on the site by the end of this month and that this goal is expected to be met by the city. All of the necessary rights-of-way and easements have been obtained.

Kenneth Buckland, Escanaba, of the Northern Engineers, Inc., consulting engineers on the project, said the project calls for the construction of approximately 12,000 feet of sanitary sewers 8 to 18 inches in diameter.

These are sanitary sewer transmission lines and they will extend on the west side of the city from 18th Ave. S. northward to the alley on the north side of Ludington St. A spur will extend to the east at 12th Ave. S. to pick up sewage from that area when laterals are built.

Eight contractors have received plans for the project, but this does not indicate that all will submit bids, Buckland said.

The bid opening will be at a special meeting of the City Council in the Council chambers at the City Hall.

Briefly Told

Delta County Sheriff's Officers left this morning with Kenneth Carlson, 19 of Rte. 1, Escanaba, for Camp Pugsley, where Carlson will serve for one year for larceny from an automobile.

Newsman Invited To Bring Families To White House

WASHINGTON (AP) — President Johnson adds a new dimension today to his reputation for doing the unexpected. He has invited reporters to bring their families to a late afternoon news conference on the White House lawn.

The affair, at 4:30 p.m. EDT, was to be carried live by major radio and television networks.

More than 1,000 reporters holding White House credentials were eligible to attend, and bring their children, wives or husbands.

HOME SUPPLY'S SPRING FURNITURE SALE!

KROEHLER AUTHENTIC EARLY AMERICAN DESIGNS

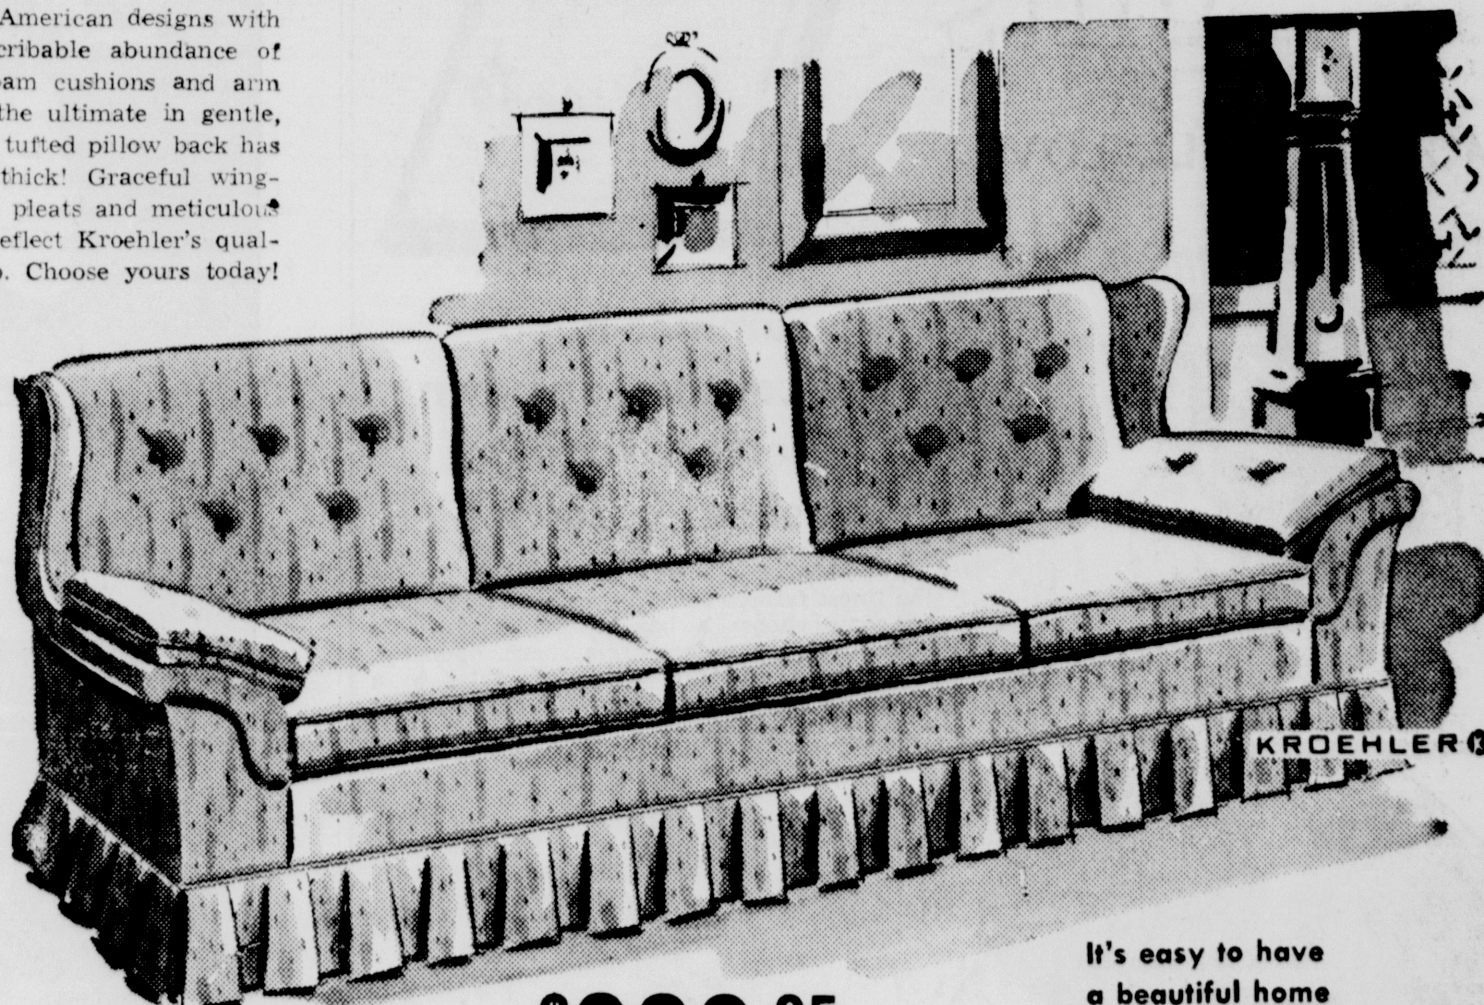

Sofa with the famous "Sleepy-Hollow" back

\$199.95

The "Sleepy-Hollow" — a high (36 in.) back that you can actually sink into most comfortably and get good, honest relaxation. You'll find the most expensive furniture you can buy won't have better spring steel than this, because there isn't any. Solid shaped maple arms eliminate soil and wear. Soft foam cushions, zippered and reversible.

New "Spice Tones" give you a pleasurable combinations of Paprika, Chili, and range of fabrics. You can mix Red, Curry Gold, Dill Green, Poppyseed Blue, or Ginger Beige—these warm colors come in prints, tweeds, and nylon warp tapestries. The Early American design, rich fabrics, and touch of maple are warm and inviting . . . and the price is hospitable, too.

Authentic Early American designs with an almost indescribable abundance of comfort! Deep-foam cushions and arm pillows provide the ultimate in gentle, buoyant support; tufted pillow back has foam a full 5" thick! Graceful wing-back styling, box pleats and meticulous tailoring richly reflect Kroehler's quality craftsmanship. Choose yours today!

GLADSTONE

School Budget Needs 11 Mills

The Gladstone Board of Education adopted the 1964-65 budget of \$394,742.00 at its regular meeting at the James T. Jones School Monday evening. This figure represents an increase of \$24,852 above last year.

Included in the budget will be salary for an additional full time teacher and one to replace a half time teacher this past year. An increase is also shown in capital outlay expense to provide necessary fixtures in the buildings.

The amount required from local taxation within the 15 mill limitation for General Fund Operating for 1964-65 is 11 mills.

Donald Grenfell presented plans for a curriculum change which will enable college bound students to pursue courses of study emphasizing mathematics and science or language and social studies which was approved as was Norman Peterson's text book change on the senior math level.

Summer Projects
Reports were received on the successful sex-education seminar offered to the juniors and seniors this semester which will include freshmen and sophomores next year, and on the P.T.A. student picture project.

The board approved the renovation of the football field stands and acted to employ an architect to modernize the home economics department which will be housed in the old

library. The summer school program will be enlarged to include areas of interest other than typing, biology and remedial reading.

Summer projects will include: Redecorating five class rooms; construction of a fire escape for the first floor and coating the roof of the Buckeye School; a sidewalk and lawn around the new addition, and a parking area between the curb and sidewalk along 11th st. Lockers in the junior high building will be repaired and the possibility of more lockers in the new building will be investigated.

Hire Two Teachers
Library tables and chairs for Little people are needed and the possibility of obtaining these and a curtain for the stage in the gymnasium will also be investigated.

Millet Caldwell, Alcott Erickson, Fred Schram and Martin Cassell were appointed to the board of canvassers for the school board election in June.

The 1964-65 school calendar, which calls for 182 days membership was adopted. School will begin September 8, 1964 and close June 4, 1965.

Ernest DeHooghe submitted the low bid of \$1,224.29 and was awarded the contract for installation of a new heating unit for hot water in the Central school.

Mrs. Clara Lang, of Escanaba, has signed a contract to teach English next year and Mrs. Nancy Smith, of Route 1, Gladstone, will teach first grade. Both new faculty members are graduates of Northern Michigan University.

Sudanese Flee
KAMPALA, Uganda (AP) — The Uganda government says 7,000 refugees from Sudan have entered northeast Uganda in the past 10 days. The area has been a haven for southern Sudanese rebels since a 1955 army mutiny.

Foresters Meet Here May 12

Sacred Heart Court No. 186 of the Women's Catholic Order of Foresters, will hostess the Cleveland Association Convention Tuesday, May 12, at All Saints Church. Mrs. Lucy Domino, High Chief Ranger, and Miss Regina Piasecki, High Trustee, from Chicago, will attend the session as will visiting courts from Iron Mountain, Munising, Spaulding, Newberry, Manistique and Escanaba.

All local members planning to attend are asked to make reservations with Mrs. Joseph Martin by Saturday.

The days activities will begin with registration in the church basement at 1 p. m. and a meeting in the All-purpose room of All Saints School at 2 p. m., followed by a social hour. The Benediction of the Blessed Sacrament will be at 5 p. m. and the banquet in the church basement will be served at 5:30 and will conclude with a program.

Briefly Told

State Police issued traffic summonses to William Porath, 1317 Sheridan Road for failing to stop for a stop sign and Alden Clark, Marquette, speeding.

World War I Veterans and wives are going to Iron Mountain Thursday, May 7 for a pot luck supper starting at 6 p. m. A meeting will be held at the Kingsford Armory at 8 p. m.

Gladstone Lodge 396, F&AM, will hold a regular communication at 7:30 p. m. Wednesday at the Masonic Temple. Visiting Masons are welcome to attend.

The Royal Neighbors will meet at the home of Mrs. R. J. Rogers, 1109 Wisconsin Ave., at 2 p. m. Friday.

Mishaps Kill 93

TAIPEI, Formosa (AP) — Ninety-three workers were killed in accidents in coal mines in Formosa in the first three months of this year, an official report said today.

THE CAST OF "All My Sons", the Gladstone High School Senior class play, are shown in one of the final rehearsals before the show opens on Thursday evening at 8 p.m. in the High School Gymnasium. The play will be presented May 7 and 8 under the direction of David Scherff. Left to right are Allan Depuydt, Carol Hoverman, Dwight Stockholm, Lauren Bergman, Ken Olson, Tony Goodreau, Jim Berg, and Judy Martin. Judy Stemac and Don Montgomery were not present when the picture was taken.

Schools Receive Several Gifts

The Gladstone Board of Education has received several gifts and scholarships within the past few months. They include a grand piano given the school by Dr. A. H. Miller, a potted lemon tree by Mrs. Elmer Beaudry, a potter's wheel by an anonymous donor and a TV set for the new school given by the Central P. T. A.

Scholarships have been received to date from the Winkelman Foundation in the amount of \$400, the William Primrose Scholarship for \$500, a Gambles Scholarship given in the name of Harold Nehmer in the amount of \$350 and another scholarship for \$100 given by an anonymous donor.

LOTS OF FOOD

The average food consumer in the United States will eat the equivalent of 33 hogs, 10 lambs, 8 steers and 4 veal calves during his lifetime, according to estimates.

Open House At State Police Planned May 19

For the eighth year, the Michigan State Police will hold their annual open house at each post Tuesday, May 19, Hospitality Day of Michigan Week. It is announced by Commissioner Joseph A. Childs.

Visiting hours at the Gladstone post will be from 10 a.m. to 7 p.m., according to Sgt. Hugh Pope, commanding officer.

All are invited Sergeant Pope said. Visitors will be escorted on tours of the post and see an exhibit of equipment and facilities. Questions will be answered and information given on the services provided.

"Although visitors are always welcome at a State Police post, open house offers an unusual opportunity to find out how a post operates," Sergeant Pope said. "We are planning a special reception and hope to make this a very interesting

occasion for those who call on us. We'll be happy to see them."

The Gladstone post is located at 922 Lake Shore Drive and is easily identified.

The success of open house has been increasing each year and many look forward to the program, Pope said.

Michigan Week is being observed from May 17 through May 23 and in addition to open house, the State flag as well as the American flag will be flown all week at each post.

Personals

Mr. and Mrs. Eugene Noblet, 1221 Minnesota Ave., have returned after spending the past 3 months in Tampa, Fla.

Mr. and Mrs. Gideon Sloan, 805 Wisconsin Ave., and Mr. and Mrs. Julius Reubens, 414 Michigan Ave., visited over the weekend in L'Anse with Mrs. Sloan's brother, The Rt. Rev. Leslie Borman.

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

THE GREAT HIGHWAY PERFORMERS—Models shown top to bottom: Corvette Sting Ray, Corvair Monza Spyder, Chevy II Nova Super Sport Coupe, Chevelle Malibu Super Sport, Chevrolet Impala Super Sport.

Five different lines of cars—forty-five different models to choose from. Come early and trade great!

Now that spring's in full swing, you'll find new Chevrolets perfect for picking.

Luxury—First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding with a fat coil spring at all four wheels to smother bumps. Over 700 sound stoppers throughout the car to blot out wind and road noise. Interiors luxuriously done up in the newest and softest vinyls.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

Spirit—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Order to your liking in sedan, coupe, station wagon and convertible body styles. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

Economy—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. But for all its thrift, it's anything but under-furnished. Did you know that the Super Sport Coupe has bucket seats and door-to-door carpeting? Eight models to pick from, including wagons with room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

Fun—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it. You'll even think they're now paving highways with adhesive tape the way Corvairs cling to them.

Corvette. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. Pick either one and you'll find it does for your driving what holidays do for kids.

Performance—And with any new Chevrolet you choose, you can get the standard engine for all the power you need in everyday come-and-go driving. Or you can pick from a wide, wide range of extra-cost engines for maximum performance.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers—you'll travel!

Start The Day With Adventure In Breakfast

ANN ARBOR—Dietitians at the University of Michigan Medical Center say there is no finer way to yank a day out of dulling routine than concocting an "adventuresome" breakfast.

Protein, vitamin C and some sort of energy food are the three main ingredients of a good breakfast, but the sky's the limit on how you select them.

Eggs furnish routine breakfast protein. But, say the dietitians, you can substitute meat, fish, peanut butter or cheese.

If citrus fruits become a humdrum way of getting vitamin C, switch to melons, strawberries, tomatoes.

Bread, cereal products and sugar are energy foods. For variety try pancakes, packaged cereals, hot muffins or biscuits.

The U-M food specialists recommend choosing foods you enjoy as the first step toward encouraging better breakfast habits. But, they say, let your imagination work for you, too.

Like custard? Top it off with fresh strawberries and milk, add a muffin and butter and you've produced a zesty, colorful breakfast.

Or maybe you feel more experimental than that. Then try a grilled ham and cheese sandwich with a couple of tomato slices. That combination has most of the nutritional requirements to start the day off right in memorable fashion.

Better yet, make up your own combination of the three major ingredients. Gulping down toast and coffee is an outrageous penalty for failing to plan a nutritious breakfast, say the dietitians.

Canned foods should be stored in a clean dry place. Don't put them in a cupboard that is near a radiator or a steam pipe.

Women's Activities

Margaret Ann Haindl Lawrence Brabant Wed

Margaret Ann Haindl of Green Bay and Lawrence Edward Brabant of Oconto were united in marriage April 25 at 10 a. m. in a double ring ceremony at St. Peter's Church in Oconto.

Given in marriage by her father, the bride wore a floor length satin gown with elbow length sleeves and scoop neckline. A satin rose was centered at the waistline. Her ballerina length veil of illusion fell from a pillbox headpiece. Her only jewelry was a pearl necklace. She carried a white orchid on a prayer book.

Mrs. Allen Young, sister of the bridegroom, was matron of honor. She was attired in a mint green floor length dress

styled with scoop neckline and elbow length sleeves. A back bow at the neckline extended into streamers reaching to the floor. She carried yellow daisies.

Allen Young served as best man. Ushering were Joseph Haindl, brother of the bride, and the bridegroom's brother, Paul.

A dress of pink lace over taffeta with matching lace jacket and white accessories was the choice of Mrs. Haindl. Her corsage was white gardenias. Mrs. Brabant wore a medium brown dress with lace bodice and a pink carnation corsage.

The reception was held at County Line Hall near Oconto from 4 to 8 p. m. Mrs. Glenn Wood and Gloria Brabant were in charge of gifts. Bonnie Brabant and Carol Haindl cut the wedding cake.

The couple will live near Oconto where Mr. Brabant is employed by Cruiser's.

Out-of-town guests were from Chicago, Port Huron, Marquette, Cooks and Green Bay.

Congregational Mother-Daughter Banquet Thursday

RAPID RIVER—The Mother and Daughter banquet to be held Thursday, May 7, at Rapid River's Congregational Church will begin at 7 p. m. A roast beef dinner will be served.

Howard Kuehn, program chairman, announces that all mothers and daughters will be honored with a special honor awarded to the oldest mother and daughter and youngest mother and daughter present.

The evening's entertainment will include a saxophone quartet from Perkins, Susan Dennis, Charlene Laucher, Linda Furnum, and Myra Miljor. Carol Bowen and Shirley Kuehn, Rapid River High School students, will give narrative readings and a girls singing quartet from Gladstone has been tentatively scheduled.

Banquet tickets may still be obtained from the Men's Fellowship's president, Ray LaBumbar. Tickets will be sold at the door until all available seating is taken.

Minstrel Show Plays To Record Attendance

POWERS-SPALDING — The Spring Minstrel Show was presented at a matinee and an evening performance Sunday to an estimated crowd of 350.

During intermission corsages were presented to Mrs. Theodore Dault, who promoted the North Menominee County Chorus and who is retiring from teaching this year, to Mrs. Harlan Hansen, the Chorus director and to Mrs. Wilfred Fleetwood, pianist.

Seven acts were offered with singing, dancing, orchestra and piano. Many out-of-town people enjoyed the Minstrel, including Dr. Stanford K. Sweeney of Chicago, a former resident, Mr. and Mrs. Joseph Dubord and Mr. and Mrs. Ernie Borden, Escanaba and Mr. and Mrs. James Gribble of Hermansville.

Proceeds of the show will be divided between the Chorus and the Lions Club, sponsors, to be used for Christmas music and area projects.

Good with cooked smoked tongue or baked ham; Applesauce and horseradish folded into whipped cream.

MRS. RICHARD Louis Schaut, who repeated her marriage vows in a ceremony at St. Ursula's Church in Ypsilanti April 25, is the former Janet Mae Arrick. Attendees at the wedding service for the son of Mr. and Mrs. Louis Schaut, Escanaba Rte. 1, and his bride, were Mr. and Mrs. Dan Schaut of Pontiac, brother and sister-in-law of the bridegroom.

Marriages Up; Births Decline

WASHINGTON (AP) — This year's extra February day has been credited by the Public Health Service for an increase of about 12,000 in the number of babies born in February as compared with February 1963.

An estimated 326,000 live babies were born in February this year, the service said, compared with 314,000 in the 1963 month. "The excess over the same month of last year was largely due to the extra day in February of 1964, a Leap Year," the service said.

"The rate of childbearing continued the decline that has prevailed for over two years. In February, the crude birth rate

was 21.6 live births per 1,000 population, and the general fertility rate was 107.8 births per 1,000 women aged 15-44 years; both rates, unaffected by the varying number of days in the month, were about one per cent below those of February 1963.

The service also pointed out that the extra February day this year was a Saturday, "most popular day of the week for performance of marriages." There were 121,000 marriages during February, about 16,000 more than a year earlier.

The marriage rate was 8.0 per 1,000 population, nearly 10 per cent higher than the 7.3 rate in the 1963 month, continuing an upward trend which began more than a year ago.

The number of deaths decreased by 13,000, despite the extra day this year, and the February death rate was 9.8 per 1,000 population, down from 11.2 in February 1963.

Social-Club WAIT WATCHERS

Wait Watchers TOPS Club will meet Thursday at 7:30 p. m. at Kallio's Fairway Dinet.

A fairly generous amount of fat and sugar are usually found in refrigerator yeast doughs because these ingredients help the yeast to work even during the cold storage.

Methodists Vote For Policy To End Segregation

PITTSBURGH (AP) — The Methodist Church, after spirited debate, has adopted a sweeping policy on civil rights designed to persuade Methodists to abolish racial segregation in their churches and in communities in general.

Delegates to a worldwide General Conference of the Methodist Church approved the policy by a show of hands Monday night.

The policy is embodied in a report by the Committee on Christian Social Concerns. It is now church policy but is not church law.

This means that the policy cannot be enforced by such measures as expulsion or censure.

Some of the highlights of the policy are: —Pastors and church officials are to open their churches to persons of all races.

—Methodist bodies, organizations and individual Methodists are to use their influence to secure fair employment practices and non-segregated services in the corporations in which they hold investments.

—Equal rights should be pro-

vided for voting, law enforcement, education, employment, housing, and public accommodations.

—Elimination of racial segregation, including de facto segregation, in all public and Methodist schools.

The term "civil disobedience" was omitted from a substitute paragraph before the report came to a vote before about 900 delegates.

The original version would have condoned civil disobedience in "rare instances where legal recourse is unavailable."

The substitute paragraph read in part:

"In some instances, where legal recourse is unavailable or inadequate for redress of grievances from laws or their application that, on their face, are unjust or immoral, the Christian conscience will obey God rather than man."

The chairman of the commission which drafted the report, Harold A. Bosley of New York City, told the conference that the substitute portion was not a weaker version.

"We do not intend to give a single inch in endorsing the principle of civil disobedience."

The adoption of the policy came as the conference entered its second week in Pittsburgh. The conference, which meets every four years, is the supreme policy-making body in the church.

Honor Court Held By Wells Troop 407

WELLS — There were several advancements and merit badges presented at the Boy Scout Troop 407 Court of Honor held May 3 in the parish hall of St. Anthony's Church of Wells, which sponsors the troop. Each patrol put on a skit after the awards were presented.

Tom Schmeltzer received the Junior Assistant Scoutmaster award and badges for Life Saving, Firemanship, and Safety. Stephen Kell received a badge for Citizenship. Also, badges were given to Todd Larson, bugler; George Brier, Quartermaster; and Tom Carmody, Scribe. Patrol leaders receiving awards were Tom Carmody, Arnold Anderson, Stephen Kell, Richard Bingham, Mar Peterson, Todd Larson, George Briere, and Gerald Mileski.

Many of the scouts received their Second Class and Tenderfoot awards. The meeting was well attended by parents of the Scouts with lunch served following the meeting.

The Court of Honor was conducted by Scoutmaster Thomas Carmody Sr. and his assistant, Thomas Schmeltzer.

Second Class awards went to Joseph Larson, David Weber, Gerald Mileski, Gerald Harris, Richard Bingham, Todd Larson, Leonard Maki, Richard Olson and Robert Pearson. Tenderfoot awards to David Oslund, Todd Larson, Michael Weber, Richard Engdahl, Kim Oslund, Daniel Hughes, James Pearson, Richard Bingham, Robert Casey, Robert Kivioja, David Berndt, Tom Bucholtz, Tony Caron, Gordon Couillard, Gerald Harris, Joseph Larson, Jerry St. Vincent and Gary Way.

C.Y.O. Tonight

St. Anthony's C. Y. O. will hold a regular meeting tonight at 7. Final plans will be made for a Communion breakfast May 24.

Births

MARTIN — Mr. and Mrs. Warren G. Martin Sr., 201 S. 16th St., are the parents of a daughter, Sue Ann, born at St. Francis Hospital May 5 at 12:45 a. m. The infant weighed 7 pounds and 14 ounces. Mrs. Martin is the former Aurelie Johnson.

NELSON — A son, Joseph Larry, weighing 8 pounds and 3 ounces, was born to Mr. and Mrs. Gerald L. Nelson, Gladstone Rte. 1, May 5 at 2:45 p. m. at St. Francis Hospital. The mother is the former Lorraine DeMenter.

REYNOLDS — A son, born today, May 6, at 4:14 a. m. at St. Francis Hospital, is the first child of Mr. and Mrs. Melvin Reynolds, 225 N. 11th St. The infant, who weighed 8 pounds and 2 ounces, has been named Stephen Lee. Mrs. Reynolds is the former Norma Jennings.

MEIER — Mr. and Mrs. Herbert Meier, 112 E. Merrill Ave., Fond du Lac, Wis., announce the birth of their second son, Stephen Michael, born May 3 at 7:15 a. m. The baby weighed 8 pounds and 4 ounces. The mother is the former Darlene Servant and the new arrival is the 7th grandchild of Mr. and Mrs. Ernest (Pat) Cormier, Ford River Road.

Former Resident Will Conduct Tour Of Europe

Mr. and Mrs. George Young — she is the former Joan Hansen, daughter of Mr. and Mrs. Wesley Hansen, 1021 Washington Ave. — will lead a group of Dallas, Tex., students to Europe this summer for six weeks study.

Young, a native of Stambaugh who met his wife when they were students at Northern Michigan University, is a member of the faculty at The Greenhill School, Dallas, Tex. He will lead the tour and be assisted by the Youngs. Mrs. Young tutors and is a member of the Greenhill faculty for the summer session.

The air tour party will number 25 students and they will study humanities, English, foreign language and history. They will visit London, Vienna and be on location in Salzburg, Austria, and also visit Venice, Innsbruck, Munich and Paris.

Schaffer

SCHAFER — Mr. and Mrs. Ed Taylor, Mr. and Mrs. Eli Taylor, Emanuel Taylor and his sister, Mrs. Elizabeth Riedy of Escanaba, attended the wedding of their nephew in Lena, Wis., Saturday.

Melvin Taylor returned from a business trip to Houghton. He was accompanied by Dennis Gauthier.

Mrs. Louis Butryn returned from a week's visit with relatives in Chicago.

Terry and Roger Mayrand of Milwaukee were home for the weekend.

St. Michael's Masses
Masses at St. Michael's Church, Perronville, Ascension Thursday, May 7, will be offered at 7 a.m. and 8 p.m.

Rapid River Senior Class Trip To Chicago

RAPID RIVER — Twenty-nine members of Rapid River High School's senior class left for Chicago at 6 a. m. Saturday. Adult advisors accompanying the seniors were Mr. and Mrs. Clifford Giles and Bernard Olson.

The class stayed at the Sherman Hotel. The trip was highlighted with several events, dinner in Chinatown; dancing in the Aragon ballroom; and sight seeing trips to the Natural History and Science Museums, TV studios and skid row.

Sunday the seniors attended church and in the afternoon saw a baseball game. Monday evening the group attended the musical comedy, "How to Succeed in Business Without Really Trying." Before leaving for home a visit was made to the Ghetto Market on Maxwell Street and to the Lincoln Zoo.

The seniors bus arrived in Rapid River at 11:30 last night.

Miss Pakarinen Sorority Pledge

Mary Ann Pakarinen, daughter of Mr. and Mrs. Raymond Pakarinen, 505 N. 19th St., has pledged to Delta Chapter of Alpha Xi Delta sorority of Northern Michigan University where she is a junior. Mary Ann is an honor graduate of Escanaba Area High School.

More people get more news from newspapers than from all other sources combined.

Women's Activities

MRS. BARRY ALLEN MCKENDRY, bride in an April 11 ceremony at St. Joseph Church in Perkins, is the former Barbara Jane Beauchamp, daughter of Mrs. Exilda Beauchamp, Perkins. The newlyweds are at home at 113 S. 9th St. in Gladstone. (Lee's Studio)

Escanabans Members Of Top Vocal Group

Two 1963 graduates of Escanaba Area Senior High School, Julie Garrard and Judy Moore, were members of a victorious singing group at Western Michigan University last Friday night.

The girls' sorority, Sigma Kappa, won the first place trophy in the annual Sing, held Jr.

as the opening event of Mothers' Weekend on the campus at Kalamazoo. Ten sororities were in the competition.

Other Sigma Kappa events were an open house following the concert, a luncheon and a tea.

Miss Moore is finishing her freshman year at Western in Speech Correction and Miss Garrard is in the College of Liberal Arts.

Present for the mothers' festivities were Mrs. Clarence E. Moore and Mrs. M. H. Garrard Jr.

Rebekahs Plan Attendance At District Meeting

The regular monthly meeting of Central Methodist Church Woman's Society of Christian Service will be held Thursday, May 7, beginning at 2:30. Margaret Sangster's story, "The Mother", will be presented as part of the program. The hostesses for the social hour to follow will be Mesdames Clarence Carlson, Arno Whipple, Jon Thorin and Ed Dahl. There will be a sale of home-made bread and rolls after the program. Members and friends are invited.

Ensign

Cancer Crusade
Ensign Township has Mrs. Oiaf Larsen as its Cancer Crusade chairman. Mrs. Larsen's co-workers are Mrs. Richard Lundquist, Mrs. Frank J. Lundberg, Mrs. Oscar Olson and Otto Tyberg. The volunteers are still collecting their cancer crusade donations.

Ever add a little instant coffee to a confectioners sugar butter frosting? Nice used as a glaze for eclairs.

Isabella

Bazaar May 9
The women of Isabella St. Anne's Church will hold their annual bazaar and card party Saturday, May 9, at 7 p. m., at Isabella Community Building. Features of the evening will be a fish pond, candy, fancy work, rug and baked goods booths. A special prize will be awarded and refreshments will be served. The public is invited.

Birth
Mr. and Mrs. Nathan Kent, Ellis Jr., of San Juan, Puerto Rico, are the parents of a son, weighing 8 pounds and 8 ounces, born April 30. Dr. and Mrs. Kent Ellis are the paternal grandparents.

Community Project
Residents of Isabella community are observing May as "Clean Up-Fix Up" month.

Mr. and Mrs. Lloyd Papineau visited Sunday at the home of her brother and sister-in-law, the Howard Johnsons at Engadine.

Mr. and Mrs. Harlan LeVigne of Indianapolis are visiting his parents, Mr. and Mrs. Kenneth LeVigne.

Sally and Denise Sundling of Chicago are visiting relatives and friends here.

Mrs. Della Cambrey moved to her new home in Gladstone Monday.

Ralph and Jim Morrison and Ronnie Peterson, Chicago, spent the weekend with their families.

Mr. and Mrs. Lew Bramer and Darlene have returned to their home here after spending the winter season in Gladstone.

"CHARGE IT" AT KRESGE'S

First Methodist W.S.C.S. Will Meet Thursday

The Woman's Society of Christian Service of First Methodist Church will hold its regular monthly meeting Thursday, May 7 at 2 p.m.

Devotions will be in charge of Mrs. Edward Edick. Mr. John Bartlett, program leader, will have as her topic, "Missions at Home and Abroad."

There will be election of officers during the business meeting. The group will make plans to assist the Junior Fellowship on their trip to Pinecrest.

Hostesses for the afternoon will be Mesdames Robert Jensen, Ed Edick and Lowell Hebard. All members and friends are cordially invited.

Ensign Leaders Are Honored

ENSIGN — Seven leaders from the Ensigns' 4-H Club attended the recognition luncheon held at the Escanaba Country Club. The luncheon was sponsored by the Escanaba Kiwanis Club. Mrs. Henry Lundberg, Mrs. Henning Johnson and Mrs. Harold Lundquist were cited for their dedicated service to the 4-H program; each of the three leaders has worked with 4-H youth for over 15 years. Mrs. Lloyd Sundberg, Mrs. Frank J. Lundberg and Mrs. Thomas Safford were awarded certificates for five years of 4-H leadership.

MR. AND MRS. E. L. Pohl of Escanaba announce the engagement and approaching marriage of their daughter, Susan Kay, to Lt. Joseph A. Lee, son of Mr. and Mrs. E. H. Lee of Rock Island, Ill. Miss Pohl is a graduate of Northern Michigan University and is with the Manitowoc Public School system. Her fiancé is a graduate of the College of St. Thomas, St. Paul. He presently is stationed at Truax Field, Madison, Wis. A June wedding is planned. (Portrait by Lee's)

Women's Activities

Evening Circle Of Central Names Officers

The Evening Circle of Central Methodist Church, at its regular dinner meeting Monday evening, elected officers for the new year.

They are: Mrs. Felix Johnson, president; Mrs. Irwin Ten Haken, vice president; Mrs. Tom Bintliff, secretary - treasurer; Mrs. Burton Butler, devotions leader.

Members discussed plans for the Mother and Daughter banquet to be held in the near future and also made plans for a potluck picnic at Pioneer Trail Park, Monday, May 25.

The Rev. Robert Selberg, pastor, concluded his series of talks on the book, "Faith Meets Faith." Mrs. Stephen Cauri of Kenya, Africa, guest of United Church Women, who attended the meeting, spoke to the group. The meeting closed with the hymn, "This Is My Father" and The Lord's Prayer.

Church Events First Presbyterian

The Women's Association Bible Study group will meet at First United Presbyterian Church Thursday at 9:30 a. m. Junior High Fellowship meeting is scheduled for 7 p. m.

St. Stephen's Episcopal

Celebration of Holy Communion will be held at St. Stephen's Episcopal Church on Ascension Day, Thursday, at 10 a. m. and 7 p. m., the Rev. Ben Helmer, rector, has announced. Extinguishing the Paschal Candle will be a traditional ceremony of the day.

For an elegant ladies' lunch, serve French pancakes with a filling of creamed crabmeat lightly flavored with curry powder. The stuffed crepes may be made ahead and placed in a single layer in a shallow baking dish, then all there is to do before serving is to heat, covered with foil, in a moderate oven.

Family Relations Meeting Friday

"Our Changing Values" is the theme adopted for the spring meeting of the Upper Peninsula chapter of the Council on Family Relations, to be held Friday at the Dickinson Hotel in Iron Mountain from 9:30 a. m. to 3 p. m. Speakers and panel members will try to answer such questions as: Are our values changing?; what are some of our major values?; and what do we mean by values and standards?

The program will open with a speech on "Human Values" by the Rev. Eugene LeVine, chaplain at the Branch Prison at Marquette.

Robert Payant, Dickinson County judge of probate, will be chairman and moderate a panel discussion.

After a luncheon meeting, Urban Steinmetz of the Catholic Social Services, Escanaba, will discuss moral standards.

Cornell P.T.C. Meeting

Cornell P. T. C. will have an important business meeting at the school Thursday at 8 p. m.

At Luncheon

Leaders of Cornell Tots and Teens 4-H Club attended the recent luncheon held at the Escanaba Country Club. Five year certificates were presented Mr. and Mrs. Vernon Wick and Mrs. Howard Schire. A meeting to enroll summer club members will be held at the Town Hall Monday, May 11, at 7:30 p. m. All interested boys and girls are invited.

Birthday Party

Mrs. Lena Forsman was guest of honor at a birthday party held at her home Monday evening. Games were played with prizes awarded to Mrs. Alfred Anderson, Mrs. Alfred Dahl Jr. and Mrs. Earl Aiken.

Mrs. Forsman was presented with a purse of money. A birthday cake with red roses entered the buffet tables. Others attending were Mesdames Alfred Dahl Sr., Warren Rose, Henry Rose, Wilfred Mattson and Carl Frans.

Bishop Noa Residents Enjoy Entertainment

Residents of the Bishop Noa Home for Senior Citizens in Escanaba enjoyed two special entertainment features Tuesday.

The first was a program presented by students of the LeCaptain School of Dance, at 3 p. m., with attractive numbers which delighted every member of the audience.

The second was the reception of 75 members of Holy Family Altar Society of Flat Rock, who were taken on a conducted tour of the Home. Ted Gajewski, administrator of the Noa Home, his wife, Teresa, Sister Patricia and Sister Bernadine were in charge of the tour and described the many facilities offered the residents.

The Altar Society regularly sponsors recreation features at the Noa Home, as well as other extra-curricular activities.

ENGENE RISSANEN of Holy Name tops a high hurdle enroute to one of his two victories in the triangular track and field meet at the Escanaba High School field Tuesday afternoon. Rissanen won the high and low hurdles events and set new school records in both the races. (Daily Press Photo)

Esky Baseball Team To Begin Slate Thursday

Coach Harold Johnson's Escanaba Eskimo baseball team will open the 1964 season with a home stand Thursday against the Menominee Maroons.

The game will begin at 4 p. m., at the Al Ness Field. Escanaba's scheduled opener against Stephenson last Friday has been called off after being postponed because of rain.

Johnson has 40 candidates for his 1964 squad but has had little chance to look them over because of the inclement weather that has curtailed workouts.

Returning regulars from last year's team that fashioned a 7-2 record are Wally Schultz, Mike Gafner, Dave Kositzky, Paul Meunier and Gary Butryn.

Other players who saw some action last season are Jim Johnson, Bob Johnson, Jim Bureau, Harold Thinglum and Jerry Hanson who played as a freshman but missed last season because of an injury.

Lost through graduation from the 1963 squad were Jim Almonroeder, Mike Kositzky, Ron Gauthier and Tom McKie.

Among the hopefuls who have looked good in early drills are sophomores Ed Gauthier and Rick Kutchenberg, freshman Bob Irish and junior Bill Sheedlo. Freshman Jim Boyle has been working out with the track team and will report for baseball this week.

Following the game against Menominee here Thursday, the Eskimos will face Stephenson twice, Kingsford twice and Menominee once to complete the season by May 29.

Great Lakes Track Records In Danger

Great Lakes Conference athletes will be shooting for new records in the 16th annual track and field meet at Manistique Saturday — and at least two of the marks are in danger of being erased.

John Hendrickson, Newberry's great quarter miler, is figured to rewrite the 440 yard dash standard of 53.35 which was set by Escanaba's John Fisher in 1961.

Hendrickson has stepped the distance in 51.8 seconds which he set last spring. He won the GLC event in 54.1 last spring.

Another record in danger Saturday is in the half mile. Krueger of Newberry set the current standard of 2:04.85 last year. Rene Harger of Munising pushed Krueger to the new meet record and then set a new Upper Peninsula mark of 2:01.1 in the U. P. finals meet at Marquette. Harger's best time in the Upper Peninsula this spring has been 2:07.1.

Two conference athletes have put the shot over 48 feet this spring with Bill Sarnowski of Escanaba and Emery Dault of Gladstone setting school records. But the GLC mark in that event is 51.5.

Dan Schram of Gladstone has hit 10.2 twice in the 100 yard dash, only a tenth of a second off the league record. Chuck Brookes of Escanaba has a 10.35 to his credit.

Crusaders Top Eskymo Netters

The Holy Name Crusader tennis team defeated Escanaba 5-1 in a dual match here Tuesday.

Individual results with Escanaba players listed first:

Singles

Bob Haack lost to Steve Wood 2-6, 1-6

Dennis Reeves lost to Jerome McRae 0-6, 2-6

Joe Mileski lost to Mike Lemire 0-6, 11-9, 0-6

Doubles

Floyd Eade-Dick Sivertsen beat John Fisher-Jim Berish 6-2, 6-4

Steve Anzalone-Bob Sovoy lost to John Quinn-Tom DeGrand 3-6, 1-6

Tim O'Brien-Russell Flath lost to Paul Kangas-Lee Thompson 4-6, 1-6

Perkins Has 13 Trackmen

PERKINS — Coach Joe Vestich has 13 athletes on his Perkins High School track and field squad which will compete in the annual Central League meet at Escanaba Friday.

Members of the Yellowjacket squad are Jim Brandstrom, Mark Depuydt, Reggie Depuydt, Len Eagle, John Falkeis, Martin Johnson, Dick LaChance, Bob Lauscher, Gary Robbins, Gary Simonsen, Steve Simonsen, Wayne Sharkey and Tom Teeple.

Eskymos Win County Track Meet

Shot Put Battle Highlights Meet

The Escanaba Eskymos established themselves as track and field champs of Delta County in a big school triangular meet with Gladstone and Holy Name here Tuesday.

The Eskymos captured only four firsts in the meet but displayed great depth by grabbing points in every event. Eight of the Eskymo point producers took seconds.

Highlighting the meet was a fabulous shot put performance staged by four athletes. Gladstone's Emery Dault, a compact 195 pounder, topped the tough field with a toss of 48 feet 10 1/4 inches to break his own school record.

Less than two inches behind was Escanaba's Bill Sarnowski with a flip of 48 feet 9 1/2 inches. The husky Eskymo junior last Saturday set a school record with a distance of 48-10 3/4 in a dual meet at Menominee.

Jim Hansen, Escanaba sophomore, came through with a tremendous heave of 48 feet 1 1/4 inches for third place and Gladstone's versatile Dan Schram was fourth with a distance of 47 feet 6 3/4 inches.

All four of the athletes topped the former Escanaba High School record of 47 feet 1/4 inch which had lasted for 21 years. It was set by Bob Pfotenbauer in 1943.

Jerry Collins was a double winner for the Eskymos, hitting 11 feet in the pole vault and 5-7 1/2 in the high jump.

Holy Name's Eugene Rissanen flashed to victory in both hurdle races in an outstanding individual performance. He hit the tape in 16.2 seconds in the 120 highs to crack his own all-time Holy Name record. It is the second best time turned in this spring in the Upper Peninsula. In the 180 lows, Rissanen fled home in 21.35 seconds, for another new school record and the second best time recorded in the U.P. this season.

Ben Yagodzinski of Holy Name also won two events, sailing 20 feet 3 1/2 inches in the

broad jump and running the 440 year dash in 55.4 seconds. His distance in the broad jump is the second best in Upper Peninsula Class A-B circles this year.

Sprinter Dan Schram copped his specialties for the Gladstone Braves, winning the 100 yard dash in 10.65 and the 220 in 23.65. Both were outstanding in view of the slow track.

Escanaba's mile relay team of Gary Vandeville, Dave Boileau, Joe Vogel and Jim Clairmont crossed the finish line in 3:46.5 for one of the best times in the U.P.

Summary:

Shot Put — Dault (G), Sarnowski (E), Hansen (E), and Schram (G) 48' 10 3/4".

Broad Jump — Yagodzinski (HN), Schultz (E), Bjorkquist (E), Rusha (E) 20' 3 1/2".

Pole Vault — Collins (E), Olson (E), Applegren (G) 11'.

High Jump — Collins (E), Stupak (HN), R. Anderson (E) and a 4-way tie for 4th between Rusha and Miller (E) and Anderson and Birel (G) 5' 7 1/2".

880 Relay — Holy Name, Escanaba 1:39.4.

Mile — Englund (G), Boudreau (HN), Fisher (E), Young (G) 5:04.7.

120 High Hurdles — Rissanen (HN), Schultz (E), Bjorkquist (E), Kidd (HN) 16.2.

880 Run — Ellison (G), Montgomery (G), R. Anderson (E), E. Vandeville (E) 2:12.5.

440 Dash — Yagodzinski (HN) Gobert (G), Boileau (E) 55.4.

Second 440 — Clairmont (E), Randall (G), Hebert (E) 56.0.

100 Dash — Schram (G), Brooks (E), Curtis (HN), Trotter (HN) 56.0.

180 Low Hurdles — Rissanen (HN), Schultz (E), Reno (E), Cowan (G) 21.35.

220 Dash — Schram (G), Brooks (E), Curtis (HN), Menard (HN) 23.65.

Mile Relay — Escanaba, Gladstone 3:46.5.

Points: Escanaba 62 1/2, Gladstone 43 1/2, Holy Name 33.

Maroons Trip Esky Golfers

MENOMINEE—The Menominee Maroons scored a 21 1/2 to 18 1/2 victory over the Escanaba Eskymos in a dual golf match here Tuesday, handing Coach Jack Magnusen's team its first setback of the season.

Bill Eis of Escanaba was medalist with an 84.

Individual results, Escanaba golfers listed first:

Bill Eis 42-42-84; Larry Steppke 46-44-90

Paul Christensen 41-47-88; Bill Higley 46-41-89

Dick Hornblad 46-47-93; Ken Palaski 43-46-89

Little League Mop-Up Is Set

Final mop-up action for all Little League candidates who have not completed their running, throwing, fielding and batting tests will be held at the Little League diamond at 6:15 tonight. Approximately 30 candidates remain to be processed and are to report to Alfred Gossan.

A Saturday invitational will be held at Royce Park on a schedule to be announced later with all managers on hand to evaluate prospects against test sheets. The player auction will be held May 10 at Club 314 with Paul Vardigan serving as player agent.

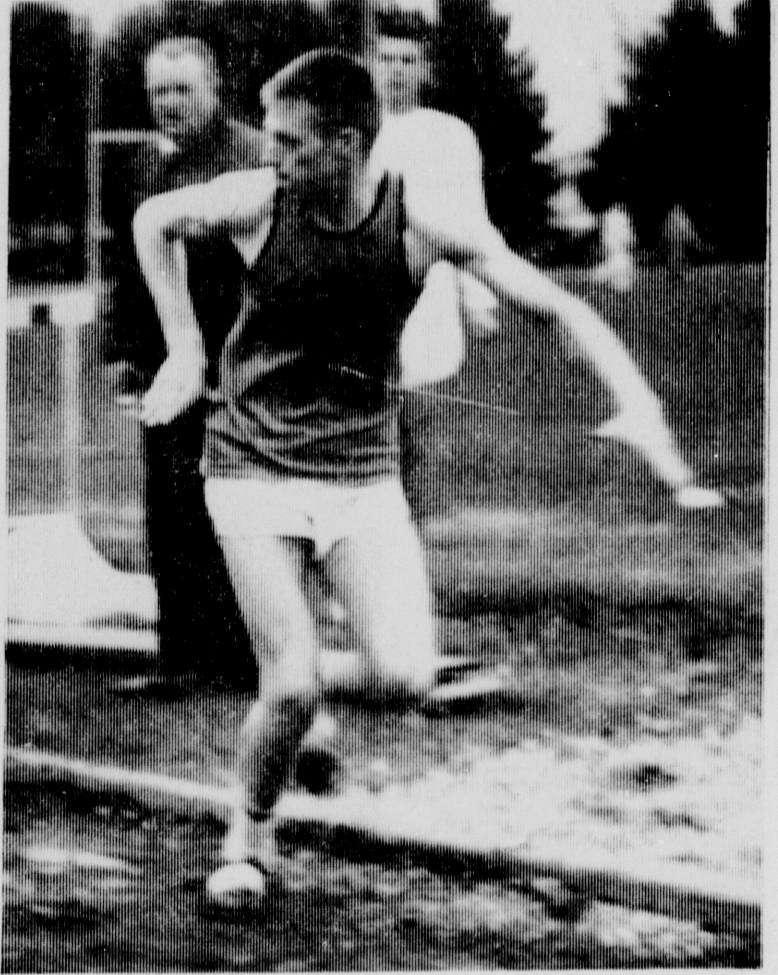

Vulcan Defeats P-S Tiger Nine

POWERS-SPALDING — The Vulcan Giant Killers defeated Powers-Spalding 11-1 in six innings in a Big Eight Conference baseball game Tuesday.

Mroz was the winning pitcher, allowing three hits, fanning six and walking six. Four Powers pitchers combined to allow four hits. Les Poisson was the loser.

GLADSTONE AND ESCANABA athletes are shown in action in the triangular track and field meet at the Escanaba Athletic Field Tuesday. At the left, Gladstone's Gary Englund hits the tape for a victory in the mile run. In the photo at the right, Escanaba's versatile Wally Schultz prepares to take the baton from team mate Denny Reno in the 880 yard relay. The Eskymos won the meet with 62 1/2 points. Schultz provided points in both hurdle races, the broad jump and the relay race. (Daily Press Photos)

Tie For First In Golf Event

Three teams tied for first place with net 31s in the best ball 2-man golf event held with the organization meeting Tuesday.

Sharing the top spot were Bill Eis Sr.-Fuzzy Legault, Clancey Moore-Clarence Kleiman and Gabe Meretsky-Lee Grover.

Tied for second with 32s were Ed Gravelle-Jim Geruelle, Augie Gafner-Bill Henderson, Don Nyquist-Bill Mulvaney and Harold Cloutier-Dean Shipman.

Low scores for the night were a 37 by Grover, 39 by Eis, 40 by Bill Perron and Elmer Swanson and 41 by Gary Erickson and Fran Boyce.

Softball

Bero Motors Softball team will practice at Memorial Field at 6:30 p.m. today.

Spahn Figures Young Pitchers Mean Challenge

MILWAUKEE (AP) — Milwaukee southpaw Warren Spahn is an old hand at recognizing and meeting challenges. Now he feels he faces a stern test to retain his role as ace of the Braves' pitching staff.

"This is a matter of survival for me," the 43-year-old great said after taking a cue from his younger mates and blanking the New York Mets 6-0 on a four-hitter Tuesday for his 63rd National League shutout.

"If the kids can keep going, we're going to have one helluva pitching staff," Spahn added. "Right now this staff is the toughest in baseball. And I had better do my job."

Spahn's 352nd victory, which evened his season record at 2-2, was just what the biggest left-handed winner in baseball history needed. It followed back-to-back two-hitter victories by southpaw Dennis Lemaster, 25, and right-hander Hank Fischer, 24, a five-hitter by Bob Sadowski, 26, and a one-hitter by Tony Cloninger, 23.

"Those kids not only can throw, but they know how to pitch," Spahn said. "If I don't win my 20, I could be in trouble next year. And I intend to stick around—as a starting pitcher, not as a hanger-on."

Spahn, whose announced goal is 400 victories, pointed out that "at this point the hitters should be stronger than the pitchers, but they're not."

"I've been hurting myself," Spahn explained. "I've been making too many mistakes and having lapses that cost me. In other words, I've been doing things that I know I shouldn't. But this has got to help me."

"You know, this was the only team I hadn't shut out. I've had awful luck against the Mets even though I've won six of eight decisions from them. I've had shutouts going into the ninth inning and something would happen. Why I even hurt my arm against them one time."

Softball

MERCHANTS TO PRACTICE — The Escanaba Merchants softball team will practice tonight at 6:15 at Webster Diamond.

The State Bank girl's softball team will practice Thursday evening at 6:15 at Ludington Park.

Packers Trade Ringo, Gros To Philadelphia

GREEN BAY, Wis. (AP) — Green Bay's Paul Hornung, the penitent "Golden Boy," and penitent "Golden Boy," and stranger up front this season when they try to regain status as the National Football League's top 1-2 rushing punch.

The Packers broke up the awesome offensive line molded by Coach Vince Lombardi in 1959 by sending center Jim Ringo, along with reserve fullback Earl Gros, to the Philadelphia Eagles Tuesday.

In exchange, the trade-happy Eagles, swinging their fourth major trade since March 11, gave up linebacker LeRoy Cafferly and rights to their No. 1 selection in the NFL draft next December.

The trade left the Packers without an experienced center on their roster. Lombardi plans to test offensive tackle Bob Skoronski at the post.

Ringo, Green Bay's seventh draft choice in 1953, was a key man in the deal although he will be 33 next Nov. 21. An all-NFL selection for the past seven years, Ringo was a key blocker as the Packers powered their way to Western Division titles in 1960, '61 and '62, winning the NFL championship the latter two years.

The Packers posted an 11-2-1 record last season and finished second to the Chicago Bears in the West. Ringo played his 10th straight season without missing a game, but some observers felt he had slowed.

Ringo, a former Syracuse University standout who now lives near Easton, Pa., said he doesn't know whether he'll continue playing. He plans to talk things over with his wife, Lombardi and Philadelphia owner Jerry Wolman.

Ringo helped form a mighty forward wall which helped Hornung to scoring championships in 1959, '60 and '61, and Taylor to the scoring and ground-gaining titles in 1962. c c

The 24-year-old Gros, the Packers' No. 1 draft choice three years ago after starring at Louisiana State, had little chance to show his wares as understudy to Taylor. The 230-pound speedster carried only 77 times for 367 yards and four touchdowns in limited service for Green Bay.

Spahn's 352nd victory, which evened his season record at 2-2, was just what the biggest left-handed winner in baseball history needed. It followed back-to-back two-hitter victories by southpaw Dennis Lemaster, 25, and right-hander Hank Fischer, 24, a five-hitter by Bob Sadowski, 26, and a one-hitter by Tony Cloninger, 23.

"Those kids not only can throw, but they know how to pitch," Spahn said. "If I don't win my 20, I could be in trouble next year. And I intend to stick around—as a starting pitcher, not as a hanger-on."

Spahn, whose announced goal is 400 victories, pointed out that "at this point the hitters should be stronger than the pitchers, but they're not."

"I've been hurting myself," Spahn explained. "I've been making too many mistakes and having lapses that cost me. In other words, I've been doing things that I know I shouldn't. But this has got to help me."

"You know, this was the only team I hadn't shut out. I've had awful luck against the Mets even though I've won six of eight decisions from them. I've had shutouts going into the ninth inning and something would happen. Why I even hurt my arm against them one time."

Softball

MERCHANTS TO PRACTICE — The Escanaba Merchants softball team will practice tonight at 6:15 at Webster Diamond.

The State Bank girl's softball team will practice Thursday evening at 6:15 at Ludington Park.

Girls Elect New Officers In Softball

Judy Kutches was elected president of the Escanaba Girls Softball league at the first organization meeting held this week.

Other officers elected for the coming season were Ellie Kobasic, vice president, and Janet Long, secretary-treasurer. A board of directors will consist of one member of each of the six teams in the league.

Wayne State Suffers Loss

TOLEDO, Ohio (AP)—Wayne State lost a nonleague college baseball game 10-2 to Toledo Tuesday.

Fred Wolcott, the Tartar's regular catcher, made his pitching debut and took the loss. Wolcott later stole second base in the seventh inning to tie the Wayne State record for most stolen bases in a single season at 14.

Toledo's Gary Ricker was the winning pitcher. The victory was Toledo's seventh in 13 games. Wayne State now stands 8-5.

Yesterday's Stars

By The Associated Press

PITCHING — Wally Bunker, Orioles, pitched a one-hitter in his first start of the year, allowing only a third-inning single by Chuck Hinton in Baltimore's 2-1 victory over Washington.

BATTING — Frank Robinson, Reds, collected a single and two homers, the second homer tying the game in the ninth before Cincinnati pulled out a 5-4 decision over Pittsburgh.

A tradition of fellowship

JAMES PORTER

RATHSKELLER

even older than America.

This is National Tavern Month, a good time to renew old acquaintance with a great tradition.

Since time immemorial, the neighborhood tavern, pub, cafe, trattoria, albergo, posada or rathskeller has been a place of cordiality and friendliness. Of people gathered for good talk and good cheer. Make it a point this month of May to share in this venerable tradition. And if while there at your neighborhood tavern you enjoy a drink or two of Kessler, you'll be in good company. For the crowd at taverns everywhere is discovering that it's true what they say about Kessler: it really is Smooth as Silk.

SMOOTH AS SILK/KESSLER

Teenage Pitching Star Fashions One-Hit Game

By The Associated Press

When Wally Bunker nodded his okay to eager Baltimore Oriole scouts last summer and signed a \$70,000 bonus contract with the Orioles, he probably never dreamed that he'd be deceived into stardom.

But that's just what happened to the 19-year-old pitching prodigy Tuesday when Manager Hank Bauer sent him out to the mound against the Washington Senators.

The youngster hadn't worked

Keane Is Keen On Washburn; Up From Minors

By The Associated Press

"We couldn't want him much better," said St. Louis Manager Johnny Keane. "It means an awful lot to us to have him back."

Keane was talking about pitcher Ray Washburn, who Tuesday night made his first start since returning from the minors and scattered seven Philadelphia hits before needing ninth-inning relief help in the Cardinals' 2-1 victory over the Phillies.

Washburn has purposely been brought along slowly by Keane, who feels the young right-hander figures heavily in the Cardinals' National League pennant chances. A healthy Washburn would give St. Louis a starting staff that also includes Ernie Broglio, Bob Gibson, Curt Simmons and Roger Craig.

Apparently, Keane's patience is going to be rewarded.

Washburn had a two-hit shut-out for six innings, but seemed to tire in the eighth when Tony Gonzalez homered, and Ron Taylor came on in the ninth to finish up.

At San Francisco, meanwhile, Giants' Manager Al Dark took an extra precaution with Willie Mays, pulled him out of the line-up because of the cold weather and let the Alou brothers, Matty and Jesus, lead the way to a 2-1 decision over Houston.

Elsewhere in the National League, Milwaukee's Warren Spahn stopped the New York Mets 6-0 with a four-hitter for the 63rd shutout of his career and Frank Robinson hit two homers in Cincinnati's 5-4 victory over Pittsburgh. The Los Angeles Dodgers and Chicago Cubs were not scheduled.

In American League action, the New York Yankees edged Detroit 3-1 in 10 innings, Boston blanked Cleveland 4-0, Baltimore nipped Washington 2-1 and the Los Angeles Angels walloped Kansas City 8-1. Minnesota and the Chicago White Sox were not scheduled.

The Cardinals jumped on Phil's starter Jim Bunning for four hits and both their runs in the fifth inning. Johnny Lewis'

since the Orioles' final exhibition game and Bauer told him he'd go just four or five innings against the Senators. After five innings Bunker had allowed just one hit and Bauer was about as far away from the bullpen phone as a manager could be.

Four innings later Bunker had his first major league victory 2-1 on a brilliant one-hitter and Bauer another starter for his pitching rotation.

Chuck Hinton managed Washington's only hit off the young

right-hander in the fourth inning when the Senators scored their run.

Elsewhere in the American League, the New York Yankees blew a lead in the ninth inning but came back to nip the Detroit Tigers 4-3 in 10 innings; Los Angeles stole some of Kansas City's home run thunder and whacked the Athletics 8-1 and Boston blanked Cleveland 4-0, Minnesota and Chicago were not scheduled.

In the National League, Warren Spahn chalked up his 63rd career shutout as Milwaukee blanked New York 6-0; St. Louis nipped Philadelphia 2-1; San Francisco nipped Houston 2-1 and Frank Robinson's two home runs helped Cincinnati come from behind for a 5-4 victory over Pittsburgh. Chicago and Los Angeles had the day off.

Whitey Ford was coasting with a 2-0 lead through seven innings when Dick McAuliffe's eighth-inning homer closed the gap for Detroit. Four straight hits put the Tigers on top in the ninth and knocked out Ford.

But New York rallied to tie it in their half and then won it in the 10th on Tony Kubek's triple and a first-pitch single by Bobby Richardson.

Joe Adcock slammed two home runs and Bobby Knoop hit one as the Angels ripped Kansas City. It snapped the Athletics' winning streak at three.

Dean Chance saved it for Barry Latman who won his first game for Los Angeles.

Eddie Bressoud stretched his hitting streak to 16 straight games in Boston's victory over Cleveland. The Indians made it easy for the Red Sox, committing five errors, three of them by Woodie Held.

Dave Morehead picked up the victory with a five-hitter, fanning 10.

More people get more news from newspapers than from all other sources combined.

Beat Russians With Our System, U.S. Coach Says

NEW YORK (AP) — If we have to beat the Russians we should do it with our own system and not be hypocrites, the coach of the U.S. Olympic track and field team insisted today.

"Who said we should fight fire with fire?" asked Bob Giegenack of Yale University, who will lead our runners and jumpers into Tokyo next October.

Tigers Squander Late Lead; Bow To Yankees 4-3

DETROIT (AP)—The Detroit Tigers limped home on the short end of an 11-game road swing today.

Tied for fifth place in the American League standings with the Minnesota Twins, the Bengals open a two-week home stand. They play the Boston Red Sox tonight at Tiger Stadium. Mickey Lolich (2-1) will face Bill Monbouquette (1-2).

The crushing 4-3 loss to the New York Yankees Tuesday night gave Detroit a 5-6 road record. It also cost them third place. New York, now 7-6, moved into fourth place with the 10-inning victory.

Bobby Richardson wrapped it up for the Yanks with a one-out

single that scored Tony Kubek from third. Kubek had tripled off ace Tiger reliever Larry Sherry.

The defeat cut deep because the Tigers had driven Yankee ace Whitey Ford from the mound with a two-run rally in the ninth to take a 3-2 lead. Rookie Willie Horton struck the key blow, a sharp single to left after Don Demeter singled and Al Kaline doubles.

With no one out, Jake Wood, subbing for the ailing Norm Cash, followed with a single that sent Ford to the showers. But reliever Bill Stafford got Bill Freehan and Sherry on infield grounders and fanned Dick McAuliffe.

McAuliffe hit Detroit's first run with an eight - inning homer.

The Yankees scored in the first inning off Hank Aguirre on a walk, Richardson's single and a grounder by Hector Lopez. Cleve Boyer knocked in the second run with a sacrifice fly in the second. Rookie Pedro Gonzalez scored after beating out a hit and moving around to third on throwing errors by Aguirre and Jerry Lumpe.

Cash, who later replaced Wood at first, sat out the start of the game when a sty impaired his vision.

Hillsdale Wins With Big Rally

HILLSDALE (AP) — A five-run rally in the fifth inning gave Hillsdale an 8-7 baseball victory over Spring Arbor Tuesday.

Chuck Moore's bases-loaded single highlighted the rally. Two more runs scored when the ball got past the Spring Arbor outfield. Phil Rabaja knocked in the final run on a sacrifice fly.

Neil Beydt and Max Terman socked homers for the losers, who dropped their fifth game in 18 starts.

Bob Srouse was the winning pitcher. Hillsdale now stands 4-14.

OUR BOARDING HOUSE with Major Hoople

OUT OUR WAY

by J. R. Williams

MANISTIQUE

Briefly Told

Royal Neighbor meeting will be May 7 at the home of Mrs. Emory Rieckhoff, 440 Delta Ave.

Royal Arch Masons will hold a regular meeting Thursday, May 7, at 8 p.m., at the Masonic Temple.

Our Lady of Fatima Circle meets Wednesday at 8 p.m. at the Leo Cousineau home with Mrs. Joseph Bosanic and Mrs. Dorothy Maynard assisting.

The Fairview PTA meets at 6:30 p.m., Thursday in the school and will have a program by the MHS boys Quartet after a potluck supper. A business meeting follows.

State Police ticketed Roy Henderson, Sr., 1612 N. 18th St., Escanaba, passing on yellow line and John Bernatowicz, L'Anse, speeding.

Application for a marriage license has been made by Kenneth Grant Skidds, 219 Main St., and Mary Agnes Gorsche, 118 Arbutus.

Four youths 15 and 16 years old will be cited to juvenile court, State Police report, for their part in a break-in to obtain beer and whiskey at a home here.

American Legion Auxiliary meets May 11 at 8 p.m. at the Youth Center. Potluck lunch will be served with coffee, cream and sugar furnished. Members are reminded to bring table service.

Howard Schwartz and a group of seven advanced biology students Tuesday visited the walleye pike roe hatchery on Portage Creek at Curtis, and brought back materials for the class.

The Wednesday Circle is entertaining the Goodwill club today (Wednesday) at 7:30 p.m., in the Maple Grove hall.

Special early meeting of the Schoolcraft County Sportsmen Club Thursday, 6:30 p.m. at the club.

State Police ticketed Engve Johnson, 80, of Rte. 1, for violation of the basic speed law, failure to stop in assured clear distance, after an accident at 12:35 p.m., Monday on State Road, a mile west of M-94. Officers said his car hit the front of a truck parked in the first lane by Robert Knoph, 34, of Rte. 1, while he was attempting to tow a car driven by his wife off the shoulder, where it became stuck. Johnson told officers he did not see the truck in time to stop. The side of his car was damaged when it scraped along the truck bumper.

Three Posts

To Be Filled On Thompson Board

Three members are to be elected to the 5-member school board in Thompson township in the school election June 8. A 2-year and a 3-year term and a 2-year vacancy are to be filled. Under the new constitution, petitions must be filed 30 days before the election. Forms are available from Donald Smith, secretary.

Water Valve Is Replaced

City crews today were scheduled to replace a water line valve at Oak and Lake St., with a 3-hour shutoff of water planned this morning to complete the project.

Water was off Tuesday while crews worked in the line. A valve has corroded, with parts dropping into the line.

No parts were available to repair this particular type, City Manager S. C. Gesko, Jr., said, so another valve is being installed. Most valves are of the same type, and only a few vary he said. Another valve in the Lakeside area also was repaired Tuesday.

VFW Auxiliary

At the meeting held Monday in the VFW clubroom, Mrs. Ed Jorgenson and Mrs. Ralph Deloria, delegates, reported on the VFW Auxiliary Convention they attended May 2, and 3 at Menominee. Attending from this area were Mr. and Mrs. Ed Jorgenson, Mr. and Mrs. Ralph Deloria, Mrs. Henry D. DeSautel, Gilbert Berwin, Mrs. Earl Malloch, Mrs. Edwin MacGregor, Mrs. Eli Cousineau, and Archie Carpenter. Elected were Mrs. Earl Malloch, 14th District musician for the Auxiliary and Gilbert Berwin, chaplain for the VFW Post. The district convention will be held in Muskegon, June 18 through 21. Mrs. John Louis won the special award. Lunch was served.

Book Presented

"Every Night Josephine!" by Jacqueline Susann has just been presented to the Manistique Public Library as a memorial to the late Mrs. Walter Bury, the former Gertrude Kleist. The book, concerned with the antics of a French poodle, presents a hilarious report from the other end of the leash. The new publication, presented by friends of the family, is now available for circulation.

Personals

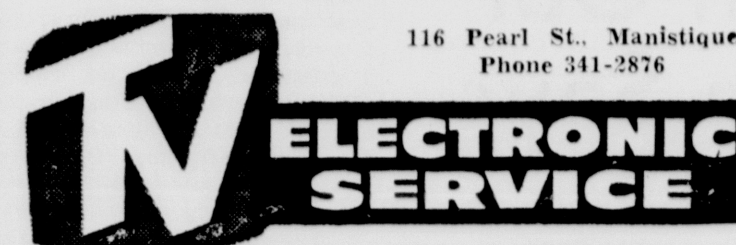

Dr. and Mrs. Milton Ketchik have returned from Morgan town, West Va., where they visited their daughter, Mrs. Beverly Cortes and family and Edgewater Park, N. J. where they visited their son, James and his family.

Edison Sault Expansion Told In Annual Report

SAULT STE. MARIE — Edison Sault Electric Co., reports increase in operation and plant expansion during annual stockholders' meeting held in Sault Ste. Marie on Tuesday. For the first time in the 72 year history of the electric utility company, sales went over the \$4,000,000 mark.

Progress was the keynote of the annual meeting, with the stockholders being briefed on the addition of the hydro-electric plant, the former Carbide Power Co. the tremendous effect it can have on the future of the eastern Upper Peninsula with the supply of electric power available.

Chairman Harold O. Polian, in his report to the stockholders, expressed optimism and enthusiasm for the future of the company's service area. "There is no question that the entire Upper Peninsula is on the move," said Polian, "and your Edison Sault Electric Co. will play its part to insure the determined drive is carried on to exploit all avenues for expansion and attraction of new industry."

Through 72 years of operation the company has shown a continued growth and expanded services to the people of the eastern Upper Peninsula. Now Edison Sault is serving 14,181 customers with electric power. The company has again demonstrated its confidence in the eastern Upper Peninsula by the acquisition of the Carbide Power Hydro-electric Plant in Sault Ste. Marie during the past year.

Recently a contract with the Manistique Pulp and Paper Co. in Manistique in connection with their announced expansion was concluded.

Crippled Child Show Scheduled

More than 100 persons will participate Saturday night in a benefit show for the Schoolcraft County Crippled Children's Society. Proceeds from the show will aid in sending a child from Schoolcraft County to Baycliff Health Camp. Groups of 4-H children will be selling tickets for the show. The curtain will go up at 8:00 p.m. in the High School Auditorium.

Planning Status Is Reviewed

Members of the City Council and the Planning Commission met jointly Monday night in city hall for a review of work accomplished thus far by the Planning commission.

Max Putters of the firm of Villican-Leman, which is making studies and preparing a master plan presented information. The session was primarily to give newly-elected Councilmen data on what has been accomplished.

Students Pick Senior Speaker

The senior class of Manistique High School has voted to have the Rev. Roy Pitts as baccalaureate speaker. The exercises are scheduled at 7:30 p.m., May 31. Commencement is June 4. Class night exercises will be held June 3.

Births

Mr. and Mrs. Duane K. Billings of Omro, Wisc., are the parents of a daughter born April 29, in Oshkosh, Wis. She weighed 7 lbs., 9 1/2 oz. and has been named Sally Jo. She is the first child in the family. Mrs. Billings is the former Paulette Tracy.

Hospital

Admitted to Schoolcraft Memorial Hospital were Moses Lanville, Wilson; Betty Watson, Newberry; Russell Marks, Curtis; Tamara Hollister, Manistique; and Iva Farley of Garden.

Rotary Speaker

The Rev. Roy Pitts of Manistique spoke at the Rotary meeting Monday on 'teenage behavior and grouping patterns. The program was arranged by Charles Varnum.

Spartans Bow To Notre Dame

SOUTH BEND, Ind. (AP)—Notre Dame scored eight runs in the second inning and then hung on for a 9-8 baseball victory over Michigan State Tuesday.

Rich Saugel's sixth inning home run proved to be the winning margin as the Spartans scored four runs in the last two innings.

2. In Memoriam

Heyson

In loving memory of Nick Heyson, who passed away 1 year ago today, May 6, 1963.

The years may wipe out many things. But this they wipe out never: The memory of those happy days. We were all together.

Sadly Missed By The Amvets and Auxiliary Post 123.

Heyson

In loving memory of our dear husband, father, son, brother Nick Heyson, who passed away 1 year ago today, May 6, 1963.

As we start another empty year, the things I want to do to say we still love you. And now my darling I want to tell you it's the little things we shared together that made our life so happy in every way. God gave us strength to bear this loss, as only he can do. His ways are not our ways. We do not understand. We cannot know the many things our Lord has planned, but we do know we miss you Nick in our own way.

Sadly Missed By His Wife, Daughters Mr. and Mrs. Frank Heyson Brothers and Sisters

LEGAL NOTICES

NOTICE OF FORECLOSURE SALE Default having been made in the terms and conditions of a certain mortgage made by Averice Thibault, a single man of Garden, Delta County, Michigan, mortgagor to Alex Thibault and Della Thibault, husband and wife of Manistique, Michigan, mortgagees, dated the 24th day of September, 1954, and recorded in the office of the Register of Deeds, for the County of Delta and State of Michigan, on the 24th day of October, 1954, in Liber 38 of Mortgages at Page 371, on which said mortgage, it is claimed to be due, at the date of this notice, for principal, interest and taxes, the sum of One Thousand and Two Hundred Ninety-one Dollars and forty-three cents (\$1,291.43); and no suit or proceeding at law having been instituted to recover the debt secured by said mortgage or any part thereof.

Now, therefore by virtue of the power of sale contained in said mortgage and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Monday, the 22nd day of June, 1964, at 10:00 A. M., Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction to the highest bidder at the front entrance to the Court House in the City of Escanaba, Michigan, (that being the building where Circuit Court for said County is held) of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at five per cent per annum and legal costs and expenses, including the attorney fees allowed by law, and also any sums which may be paid by the undersigned, necessary to protect its interest in the premises, which said premises are described as situated in the Township of Garden, Delta County, Michigan, viz:

A parcel of land, commencing at the Southwest corner of the South Half of the South Half of the Southeast Quarter of Section Five, Township Thirty-nine North, Range Eighteen West, thence North One Hundred Fifty feet, thence East One Hundred Fifty feet, thence South One Hundred Fifty feet, thence West One Hundred Fifty feet, subject to easements of record.

Dated March 16, 1964, at Manistique, Michigan, Alex Thibault, Della Thibault, Mortgagees, John and Johnson Attorneys for Mortgagees, First National Building Manistique, Michigan 16555 — 12 Wed.

NOTICE TO BIDDERS The Delta County Road Commission will receive bids on the below listed items at their meeting to be held at 10:00 o'clock A. M., E.S.T., May 11, 1964 at their office at Wells, Michigan (mailing address: P. O. Box 298, Escanaba, Michigan, 49829).

Item No. 1: 4 sectional plate arch pipe structures having a total bottom length of 212 feet; a rise of 8'-4"; and span of 12'-10"; and made of 7 gauge material. Bids for Arch Pipe to include delivery to job site, 4 miles South and 1 mile East of Bark River, and assembled at site. Detailed plans can be inspected at Road Commission office at Wells, Michigan. Delivery by June 8, 1964.

Item No. 2: Seasonal requirements of: A. Asphalt Emulsion, AE-3; B. Asphalt Oils, MC and SC specifications.

Item No. 3: 7,000 tons of Crushed Stone Chips; delivered and stockpiled at either the Delta Dock and Dock Co. dock at Gladstone, or in stockpile located at Rapid River near junction of US 2 and US 41. Tonnage will be split into: a. 3,500 tons of 26-Bin, 3,500 tons of 31-B. Delivery by July 1, 1964. NOTE: All materials bid must be inspected by and be approved by inspectors of the Michigan State Highway Dept. and meet State highway standards.

The Delta County Road Commission reserves the right to reject any or all bids, in the best interest of the County.

Note change of gauge material in Item No. 4 of COUNTY ROAD COMMISSIONERS OF THE COUNTY OF DELTA By: Elmer Kassel, Chairman Hilding Norstrom, Commissioner Earl Paquin, Commissioner 16503 — May 2, 4 and 6

Broncos Blank Wolverine Nine

ANN ARBOR (AP) — Mike Boedy blanked Michigan on six hits as Western Michigan racked up its 12th victory in 15 games with a 7-0 triumph over the Wolverines in a non-league baseball game Tuesday.

Boedy, who fanned nine and walked only one, was in trouble only once. Michigan's Dan DiNunzio led off with a double in the seventh, and took third on a wild pitch. But Boedy struck out the side to end the threat.

Four of the Broncos' seven runs were unearned. John Sluka drove in two runs with a single in the three-run fourth inning.

Michigan, which leads the Big Ten with a 6-0 record, now stands 12-12 for the season.

School Millage Lost By 2 Votes In Garden Twp.

GARDEN — Garden Township voters defeated by two votes in Monday's special election a proposal to levy five mills for school operation.

The rejection of the proposal will result in a serious curtailment of school program, unless the voters change their minds. The proposition may be put on the ballot again in the June election.

At Garden precinct the vote was 89 yes to 104 no, and in the Isabella precinct it was 16 yes to 3 no. The totals: 105 yes, 107 no.

WOMAN IN PANTRY

HONOLULU (AP) — For the first time in the history of Wheeler Air Force Base near Honolulu, a woman is supervising the pantry.

Wheeler's new food service officer is First Lt. Lilly (ed) A. Griffie, who has a home economics degree from Western Michigan University.

Three Fires In Escanaba Area

Seventeen forest fires burned 119.5 acres in the Upper Peninsula in the week ending May 2.

Three fires were reported from the Escanaba area (Delta, Marquette, and west Alger counties), burning 7 acres. To date the area has had 27 fires burning 55.3 acres.

A total of 110 fires have burned 372 acres in the Upper Peninsula to date. Last year at this time there had been 188 fires reported burning 1,027 acres.

Clifford Voigts Dies In Elgin

NAHMA — Word has been received by Mrs. John Schwartz that Clifford Voigts, 45, of Elgin, Ill., died suddenly of a heart attack. He was the husband of the former Dorothy Peterson of Nahma, and a brother-in-law of Mrs. Schwartz and Mrs. James Moore.

Recent guests of Mr. and Mrs. Owen Peterson were Mr. and Mrs. Richard Hartfeil, Minneapolis, who are on their wedding trip in the Upper Peninsula.

Mr. and Mrs. Allen Mercier are visiting with relatives in Chicago and Benton Harbor.

Mr. and Mrs. James Cooney, Mary and Clinton Gereau, all of Green Bay, visited with their parents this past weekend.

Mr. and Mrs. Ed Mercier of Green Bay are visiting friends and relatives in the area.

Mr. Nicholas Guemendern, has returned to her home after spending the winter with her family in California.

Postponement

The Altar Society has rescheduled the date of its card party from May 10 to May 17.

Four Ensigners Win Recognition

ENSIGN—Project records of four Ensigner 4-H members have been selected to represent Delta County at the District Awards meeting to be held in Newberry. Recognition has been won by Mark Nelson in conservation; Susan Sundberg, foods nutrition and home improvement; Cynthia Safford, achievement and entomology; and Tom Safford Jr., conservation and handicraft. Tom Safford also was selected to be one of Delta County's delegates at 4-H conservation camp.

Briefly Told

The Classic Bowling league will hold its annual banquet at 6:30 this evening at the Elks Club.

The Holy Name Booster Club will meet Thursday, May 7, at 8 p. m. at the multi-purpose room of the school. Officers will be elected for next year and final plans will be made for the All Sports banquet to be held May 16.

Michigan Third In Hunting And Fishing Licenses

Michigan ranked third nationally in hunting and fishing popularity last year with a total of nearly 1,765,000 license-buying sportsmen, according to final figures of the U. S. Department of the Interior.

For the fifth year running, this state placed No. 2 in hunter numbers, behind leader Pennsylvania. Almost 860,500 gunners and archers bought 1,142,745 licenses, permits, and stamps in Michigan at a cost of \$4,775,400.

Last year saw the state slip one notch to the fourth spot for its licensed force of fishermen which totaled 903,190. These anglers purchased 1,079,322 licenses and stamps for \$2,272,541.

California and Minnesota stood one-two in the country with their license holder totals. Nation-wide, nearly 34 million sportsmen paid more than \$125 million for hunting and fishing licenses during 1963.

Four Men Fined On Game Charge

Conservation Officer James Geilhart arrested four men over the weekend on charges of fishing in closed waters.

Chester Barnett and Daniel Rivard, both of Dukes, were arrested Friday in Onota Township. They were arraigned Monday before Judge Walter Jonas of Munising and each paid fines and costs of \$17.30.

William Cahill and James Owens, both of Forsyth, were arrested Saturday and Justice Arthur Burkman of Gwinn fined them each \$20 with \$7.30 court costs, when they were arraigned Monday.

TRADING TEETH

A New York City bank museum has a belt containing 134 caribou teeth. Each unit of 8 teeth in the unique belt has a trading value among Alaskan Eskimos.

Concert Series Support Urged At Lions Meeting

Ed Dahl, Escanaba broadcaster, spoke on the "Cultural Potential of Our Community," to the Escanaba Lions Club last night. He emphasized that cultural growth is important to the industrial and business growth of our community.

In particular, he spoke in support of the Delta County Concert Association. He pointed out the influence on the young people of Escanaba and the association of pride within the community which goes with the finer things of life. He asked the Lions Club members to support the Community Concert Association next week during the group's drive for renewals and new members.

The Concert Series tickets will be available next week at the Chamber of Commerce Building which will be headquarters for the organization.

Harold Olson, general chairman of the convention committee, gave a progress report on plans for the District 10 Lions Club convention slated for Escanaba on June 5, 6, and 7.

Don Haapala of the Escanaba Club has been appointed Deputy District Governor for District 10, the Upper Peninsula.

Mrs. Sundberg On 4-H Committee

ENSIGN — Ensigner's 4-H club adult adviser, Mrs. Lloyd Sundberg, will serve on Delta County's 4-H clothing committee. A committee of 4-H leaders has been set up to review the clothing program in the county. Other committee members are Mrs. Clifford Olsen, Mrs. Robert Groos, Mrs. Henry Menard, Mrs. Lloyd Bruce, Mrs. John Aker, Mrs. Howard Schire and Mrs. John Gucky.
